Gordon McConville,2016-08-16 A Biblical Perspective on What It Means to Be Human This major work by a widely respected Old Testament scholar and theologian unpacks a biblical perspective on fundamental questions of what it means to be human J Gordon McConville explores how a biblical view of humanity provides a foundation for Christian reflection on ethics economics politics and church life and practice The book shows that the Old Testament s view of humanity as earthed and embodied plays an essential part in a well rounded Christian theology and spirituality and applies the theological concept of the image of God to all areas of human existence **The Pastor as Public Theologian** Kevin J. Vanhoozer,Owen Strachan,2015-08-11 Top Ministry Book of 2015 The Gospel Coalition TGC Editors Picks Many pastors today see themselves primarily as counselors leaders and motivators Yet this often comes at the expense of the fundamental reality of the pastorate as a theological office The most important role is to be a theologian mediating God to the people The church needs pastors who can contextualize biblical wisdom in Christian living to help their congregations think theologically about all aspects of their lives such as work end of life decisions political involvement and entertainment choices Drawing on the Bible key figures from church history and Christian theology this book offers a clarion call for pastors to serve as public theologians in their congregations and communities It is designed to be engaging reading for busy pastors and includes pastoral reflections on the theological task from twelve working pastors including Kevin DeYoung and Cornelius Plantinga **Teaching Your Child to Read** Jessica Wang,Lu Jun,2022-02-01 Is your young child often disinterested in the books you bring home for them Do you wish they would develop a love for reading that they could take into middle school and beyond Some children love reading requesting the same books over and over again and giggling with delight each time while others simply despise sitting down for story time What makes the difference in these two types of children No child is born knowing
