When True Night Falls:

When True Night Falls C.S. Friedman,2005-10-04 Blending science fiction and fantasy the second book of the Coldfire Trilogy continues a dark tale of an alien world where nightmares are made manifest Two men absolute enemies must unite to conquer an evil greater than anything their world has ever known One is a warrior priest ready to sacrifice anything and everything for the cause of humanity s progress the other a sorcerer who has survived for countless centuries by a total submission to evil In their joint quest both will be irrevocably changed When True Night Falls is the sequel to C S Friedman s acclaimed *Black Sun Rising* *In Conquest Born* C.S. Friedman,2001-11-01 The sweeping science fiction epic of two interstellar civilizations locked in endless war that launched C S Friedman s phenomenal career Space opera in the best sense a combination of high stakes adventure with a strong focus on ideas and characters an intelligent reader can actually care about Newsday Braxi and Azea two interstellar civilizations fighting an endless war over a long forgotten cause two peoples descended from the human species and bred over countless generations to embody opposing ideals seeking opposite paths to power The Braxan dominant tribe of the fierce Braxin Holding are brilliant powerful and aloof from the society they rule They were bred by their primitive forebears to be aggressive competitive and secretive beyond all prior human norms The mysteries of their internal society are legendary even among the people they rule The Azeans masters of genetic science have redesigned their own race to reflect ancient ideals Now they seek to unlock the powers of the human mind using telepathy to penetrate where mere weapons cannot But Zatar and Anzh master Braxan and Azean generals have exceeded all genetic expectations of their opposed cultures and have made this endless war a personal vendetta Who can say what will happen when these ultimate warriors use every power of mind and body to claim the vengeance of total conquest
