Coughlin, Thomas Plaut, 1977     **I Drum, Therefore I Am** Gareth Dylan Smith, 2016-05-13 Despite their central role in many forms of music making drummers have been largely neglected in the scholarly literature on music and education But kit drummers are increasingly difficult to ignore While exponents of the drum kit are frequently mocked in popular culture they are also widely acknowledged to be central to the musical success and aesthetic appeal of any musical ensemble in which they are found Drummers are also making their presence felt in music education with increasing opportunities to learn their craft in formal contexts Drawing on data collected from in depth interviews and questionnaires Gareth Dylan Smith explores the identities practices and learning of teenage and adult kit drummers in and around London As a London based drummer and teacher of drummers Smith uses his own identity as participant researcher to inform and interpret other drummers accounts of their experiences Drummers learn in multi modal ways usually with a keen awareness of exemplars of their art and craft The world of kit drumming is highly masculine which presents opportunities and challenges to drummers of both sexes Smith proposes a new model of the Snowball Self which incorporates the constructs of identity realization learning realization meta identities and contextual identities Kit drummers identities practices and learning are found to be intertwined as drummers exist in a

web of interdependence Drummers drum therefore they are they do and they learn in a rich tapestry of means and contexts

**Recovery Sucks** Amy Hart, 2023-06-13 Being crowned homecoming queen fast tracked me to an identity crisis that catalyzed my disclosure of ten years of sexual abuse at the hands of my stepfather I dropped out of high school for the first half of my senior year while the disclosure was incinerated in my notorious stepfather's career climbing kiln I am recovering my authentic self from the rubble of losses amassed over years of enduring entirely narcissistic parents I felt shame and disgrace about the unsavory and scandalous parts of my life As a result I kept quiet and kept my words to myself I had every reason to die in a self destructive implosion Instead I wrote this book Recovery is a gritty and ceaseless process that has no finish line My mother always told me I was going to need a lot of therapy She also told me to never have kids because it will be the worst thing you ever do My mother was right about the therapy but she was wrong about the kids Life is riddled with conflict Conflict motivates my writing and passion for conflict resolution Twenty years of therapy at two to three times per week helped me construct a useful and productive life and it has allowed me to hone my native genius being a mother I've given myself a self accredited PhD in life with a master's in conflict resolution and personality disorders My greatest hope is that you are entertained and inspired by my life story The self discovery that occurred during the creation of this book holds some shocking conclusions Is it possible that being sexually abused was my saving grace Is it possible that my alcoholism is not destructive This book is not a how to about recovery It is about self discovery and where I am in the sucky recovery process
