Where Socialism Failed Experiment Classic:

Where Socialism Failed Stewart Grahame, 2015-07-12 Excerpt from Where Socialism Failed An Actual Experiment In his introduction to The Socialist Movement Mr J Ramsay Macdonald M P complains that One of the greatest of the difficulties which beset the path of the Socialist is the refusal on the part of his opponents to give an accurate statement of what Socialism means and what the purpose of Socialism is It would appear therefore that a clear statement of what Socialism meant and how it worked in a particular instance where it was tried in practice should be of value to Socialist seekers after truth as well as to the general public Where Socialism Failed is a straightforward account of William Lane s bold attempt to realise Socialism in our Time at New Australia and Cosme in Paraguay Although most of the matter in the present work is fresh about one fifth of the text has appeared before in the Conservative and Unionist published by The National Conservative Union or in the pamphlets New Australia published by H E Morgan and Socialism An Actual Experiment published by the Anti Socialist Union It was in consequence of the welcome accorded to New Australia in the Press and in the constituences and the many requests for fuller information made by Socialists in particular that the present work was undertaken I take this opportunity of assuring Socialist friends that the book is not a mere compilation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
