Where Does A Mother Go To Resign:

Where Does a Mother Go to Resign? Barbara E. Johnson, 1979 The remarkable story of how this best selling author learned as a wife and mother to cope with nearly devastating family difficulties Where Does a Mother Go to Resign? Barbara Johnson, 2004 Beloved author Barbara Johnson offers hope to families facing difficulty coming to terms with a child's decisions in life sharing how God brought her through the deep waters and how he will do the same for them *A Mother's Unconditional Love* Gayle D. Sebastian, 2010-04 A Mother's Unconditional Love tells how the author deals with life's adversities with composure and an unfaltering faith in the Almighty Growing up in a close knit family with a strong religious upbringing the author feels eternally grateful for being raised the way she was Throughout her life her parents wisdom and devotion serve as her pillars of strength in conquering all odds Life has its ups and downs it is an unending process of learning and discerning Despite the hardships the author's faith in the Almighty remained steadfast and solid for she believes that everything has a purpose One of the most trying times in her life was when she had to deal with her son's homosexuality while facing financial instability With her family and friends support she hung on and kept going The author writes No matter what you may be facing in this life God can deliver When it happens just let go and let God This book will be of interest to readers who are inspired by individuals who never lose hope even in their most trying times Gayle Sebastian was born and raised in Cincinnati Ohio Raised in a strong Christian home she has always looked to God for strength and guidance She is married with two children and one grandchild and has continued to be a rock for her family She has been professionally employed by a company in downtown Cincinnati for over 20 years A Mother's Unconditional Love is the first book Gayle has ever written and up until now she had never considered writing a book Compelled by forces greater than her she put pen to paper When God spoke she listened Forgive Us Our Sins Richard D Starr, Scott L Barefoot, 2014-01-01 What does the Bible say about homosexuality Homosexuality and what the Bible says about it is a predominant subject in the world we live in How do Christians lovingly share what God's Word says about homosexuality with their friends and family members And if you're a Christian who struggles with homosexuality what does God want you to know This book is both a topical discussion on the difficult conversation about what the Bible says about homosexuality and the first person testimony of one man's real life exit from a gay lifestyle back to Jesus Christ In this book you will find very practical advice for overcoming temptation both from someone who has personally lived through the struggle and from a pastor with a deep love for God's Word and people But the authors want you to know that you won't find a quick and easy cure all silver bullet or magic formula to cure homosexuality in this book There is no cure for homosexuality other than the one cure for all sin God given faith in the forgiveness of Jesus Authors Scott Barefoot and Pastor Richard Starr avoid judgment and stereotypes by delicately balancing biblical law and gospel for an encouraging hope filled message to all believers who struggle with homosexuality and any temptation If you or someone you love are seeking to turn away from a life of homosexuality and turn your life back to Jesus

this book is for you **If You Want to Soar with Eagles, Don't Hang out with Turkeys** Lois E. Scott,2010-06-07 Lois E Scott has generated and collected pithy one liners for the past 50 years gems that her husband Fred refers to as LOISisms These one liners can cut through the froth to the heart of a topic with wisdom common sense and often humor They may give comfort to a hurting person or challenge a teenager as he or she struggles to deal with this world With these gems she has guided and instructed three sons and eleven grandchildren and their friends She is now working on seven great grandchildren Friends and family have enjoyed and have been challenged by her kitchen bar stool ministry Hopefully these gems will give the reader a laugh or two or as the Christian comedian Ken Davis would say Lighten up and live If you are a believer in Jesus Christ these gems may provide some food for thought as you live your life and raise your children If you have not yet come to a saving relationship with the living Christ hopefully some of these gems will challenge you to contemplate your relationship with Him and hence your future beyond this limited time you have on this earth **When the Wicked Seize a City** Chuck McIlhenny,Donna McIlhenny,2000-11 The house is on fire **When Homosexuality Hits Home** Joe Dallas,2015-03-01 There s something I need to tell you I m gay These are hard words to hear from a beloved family member But as hard as they are to hear they are also hard for the same sex attracted person to utter No matter the relationship parent child grandparent spouse sibling or other that admission will likely mark a change in the way you and your loved one understand each other These can be difficult waters to navigate but Joe Dallas knows the rough waters firsthand and offers answers to the questions you need answered How do I show my love for my same sex attracted family member and yet remain faithful to the Bible s admonitions about homosexuality Should I attend my loved one s gay wedding What caused his or her homosexuality Am I to blame Can people change their sexual orientation From his many years of helping families answer tough questions about homosexuality Joe Dallas offers you sound compassionate and biblically accurate advice as you take a journey you never anticipated Revised edition **Praying the Attributes of God** Ann Spangler,2013 God is bigger than you think Many people feel both drawn to God and afraid of him How can they feel close to a perfect God whom their flawed self is incapable of pleasing Fortunately God has revealed truths about himself in Scripture that can untangle our confusion In this daily guide to studying and praying according to God s attributes Ann Spangler resurrects old fashioned words like holiness omnipotence omniscience and omnipresence Far from boring us these words when excavated for their biblical meaning paint a thrilling vision of God that can help us experience him more deeply They can also prevent us from making the colossal mistake of concluding God is too weak distant or uncaring to help us when we need him In the tradition of her bestselling books Praying the Names of God and Women of the Bible this new devotional focuses on one particular attribute each week Praying the Attributes of God will help you see that God is far bigger and far better than you could ever hope or suspect At some point in our lives many of us have fallen victim to an imbalanced distorted view of God Sometimes we see him as a hard god all seeing all powerful and all knowing but not someone we can

trust or get close to Other times he s depicted as much softer always tolerant and not too demanding but not much better than we are What we need is the perspective only God can give a true and deeper vision of who he is as the almighty everlasting God who is holy and yet merciful jealous and yet loving righteous and yet forgiving Let us not settle for a vision of God that is thin and anemic one that will fall to pieces when life becomes more difficult than we can bear Instead let us pray that God will draw us out of our complacency so that we might hunger and thirst for more of him As you read through this book I hope you will share my sense that learning more about God s attributes is like drawing water from a deep well the kind that can refresh and invigorate your faith In the days and weeks ahead may God give you the boldness to prayerfully insist that he nourish sustain and strengthen you with a clearer revelation of who he is Ann Spangler **I Am with You** Ann Spangler,2015-08 God is greater than you think Many people feel both drawn to God and afraid of him We are flawed so how can we feel close to a perfect God when we are incapable of pleasing him Fortunately God has revealed truths about himself in Scripture that can untangle our confusion In this daily guide Ann Spangler resurrects old fashioned words like holiness omnipotence omniscience and omnipresence Far from boring us these words when excavated for their biblical meanings paint a thrilling vision of God that can help us experience him more deeply Splashes of Joy in the Cesspools of Life Barbara Johnson,1992-02-07 Barbara Johnson s approach to life is positive uplifting theraputic and fun But Barbara is far from being a cockeyed optimist blind to life s grief and disappointment In fact her entire ministry of joy and encouragement began in the slimy cesspool of her own pain And that s why her laughter is so infectious and her wisdom rings so true in this joy giving book which offers giggles and guidance to help you shore up sinking self esteem reach the other side of your grief weather your stress and get rid of your guilt restore the joys of motherhood sustain an effective prayer life make peace with aging and go for healthy maturity Almost everyone needs a splash of joy to get through the mess to get cleaned off and get sweetened up refreshed and ready to go again Barbara Johnson says With short chapters intended to be read in one sitting plus a collection of quips and quotes at the close of each chapter Splashes of Joy offers invigorating encouragment and a gentle reminder to spread joy into the lives of others as well Splashes of Joy in the Cesspools of Life is now available in value priced paperback as part of the Nelson Values program a one time only one order only bargain price 7 97 on some of our best selling and most exciting titles
