Set the Night On Fire Weston Parker,2024-02-22 Trouble That s all I am and I get into it far too often My last misstep took me off Search and Rescue and landed me in a fucking ambulance With a guy that would make the nerds cringe If it wasn t for the cute nurse at the hospital making life interesting I might give up entirely But she s got my heart racing my hands sweating and my mind dipping into the gutter each and every time I see her pretty face Her past haunts the hell out of her but I m going to help her heal and forget all of that shit If she lets me And she hates my guts With good reason of course Too bad for her Once I lock onto something I want I m relentless The world can burn down around us but I m not stopping until I make her mine And when I do We re going to set the night on fire Every night *Young Children* ,1996 Journal of Nursery Education ,1996
