Pastor,Jean-Pierre Colson,2020-05-15 Whether you wish to deliver on a promise take a walk down memory lane or even on  
the wild side phraseological units also often referred to as phrasemes or multiword expressions are present in most  
communicative situations and in all world s languages Phraseology the study of phraseological units has therefore become a  
rare unifying theme across linguistic theories In recent years an increasing number of studies have been concerned with the  
computational treatment of multiword expressions these pertain among others to their automatic identification extraction or  
translation and to the role they play in various Natural Language Processing applications Computational Phraseology is a  
comparatively new field where better understanding and more advances are urgently needed This book aims to address this  
pressing need by bringing together contributions focusing on different perspectives of this promising interdisciplinary field
