World Religions Reader World Religions Reader:

The World Religions Reader Gwilym Beckerlegge,1998 The World Religions Reader considers six of the world's most influential religious traditions Buddhism Christianity Hinduism Judaism Islam and Sikhism in their global settings The selection of readings strikes a balance between providing an account of their historical development and exploring their beliefs and practices in the context of the latter half of the twentieth century The Reader also includes thematic topics of sacred place women in religion and moral decision making This book uses examples from the foundational and classical sources of each religion and more recent statements from those within these traditions The idea of resurgence of religion as a political force in many parts of the world during the latter half of the century is also addressed in a number of readings This comprehensive source provides an engaging tour of the past and future of the major world religions A World Religions Reader Ian S. Markham,2000-02-16 This Reader now in its revised second edition combines passages from the scriptures with classic statements from major thinkers and institutions ranging from the Bhagavad Gita to John Lennon and Martin Luther King **A World Religions Reader** Ian S. Markham,2001-02 Brings together primary material from the major religions of the world Combines passages from the scriptures with classic statements from major thinkers this will enable cross religious comparison Written for students who are coming to the study of world religions for the first time At the end of each chapter are fact sheets that give a clear summary of major beliefs significant historical events festivals a glossary Bibliography **World Religions Reader** Thomas Robinson,Hillary Rodrigues,2020-12-13 Designed as an introductory reader for a World Religions course this eBook provides key texts from Hinduism Buddhism Jainism Sikhism Confucianism Daoism Shintoism Judaism Christianity and Islam along with a chapter on ancient religions of the Mediterranean and Mesopotamian worlds There are 125 passages 33 symbols 22 photos 10 Quick Facts pages 7 audio clips and links to hundreds of audio files of technical terms related to the study of religion Each textual selection has an introduction and footnotes to help the reader understand the context of the passage **Package for the Major Religions and World Religions Reader** Ian S. Markham,1996-06-13 **World Religions Reader** Gwilym Beckerlegge,2001 Gathers together material on six of the world's most influential faiths with readings drawn from a broad range of historical and contemporary sources A World Religions Reader Ian S. Markham,Christy Lohr Sapp,2009-05-26 Providing a comprehensive exploration of the teachings and beliefs of the world's living faiths the third edition of this popular book has been revised and updated to reflect the vibrant role religion plays in the twenty first century The World Religions Reader Explores the unique nature of various faiths by introducing their traditions and rituals ethical dimensions and modern expressions Combines excerpts from sacred texts with reflections from a range of classic and contemporary thinkers from the Bhagavad Gita and the Qur'an to Maimonides and Martin Luther King Jr Significantly expands material on Christianity with a greater emphasis on the diversity of the tradition as expressed in Orthodoxy Catholicism and Protestantism Broadens its coverage with new chapters

Robinson,Hillary P. Rodrigues,2022-11-15 This masterful survey of world religions presents a clear and concise portrait of the history beliefs and practices of Eastern and Western religions The authors both respected scholars of world religions have over 50 years of combined teaching experience Their book is accessibly written for introductory classes can be easily adapted for one or two semester courses and employs a neutral approach for broad classroom use The third edition has been revised throughout with updated material on the history and contemporary configurations of each tradition and new sections addressing gender sexuality and the environment It also includes effective sidebars photographs timelines charts calendars glossaries and a spelling guide Online resources through Baker Academic s Textbook eSources include Powerpoint Keynote slides new maps and videos and a large question bank of multiple choice test questions available to professors upon request

Understanding World Religions Irving Hexham,2011-03-22 Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world s many religions *Understanding World Religions* presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham s decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam **Instant Expert: World Religions** Joanne O'Brien,Sandra Palmer,2019-05-09 Religion plays a major role in nearly every community around the world impacting people s beliefs actions politics and ways of life perhaps more than any other factor More than two thirds of the world s people claim to follow a religion and more than 4 000 religions exist around the world resulting in a global religious population that is incredibly vast and diverse *Instant Expert World Religions* offers readers a simple and inviting introduction to the histories and stories beliefs and rituals literature and festivals and people and places of eleven significant and influential faiths This is a valuable guide for quick reference providing a glimpse into the Bah Faith Buddhism Christianity Daoism Hinduism Islam Jainism Judaism Shinto Sikhism and

Zoroastrianism In just one hour readers will gain greater understanding of the major practices and features of each religion building an important awareness of varying belief systems around the world Instant Experts is a series of short small format books covering today s core religious topics Each book is designed to give the reader all the essential information they need in an hour s read offering a solid foundation for further conversation and study **Inside World Religions** Kevin

O'Donnell,2007 The living faith of millions of people in the world s most important religious traditions is portrayed here with sympathy and intelligence in each case emphasizing key elements Author Kevin O Donnell does not dissect each tradition however Instead he looks at each faith from a more personal angle asking what it means for a person to belong to such a faith Covering six major traditions Hinduism Buddhism Sikhism Judaism Christianity and Islam together with shorter sections on Zoroastrianism Baha i Confucianism Taoism and Shinto the author follows the same pattern for each O Donnell asks the reader to join in a spiritual exercise personalizing the insights of each tradition into one s own journey of faith Illustrated throughout with full color photography Inside World Religions invites the reader on a journey of encounter and self discovery

BOOK JACKET **Major World Religions** Lloyd V. J. Ridgeon,2003 This book focuses upon those religions that continue to demand the attention of the Western world **Discovering World Religions** Gabriel J. Gomes,2012-07 In Discovering World
