Nash, 2010-08-10 This world is a battlefield in the arena of ideas The prize is the heart and mind of humankind In this book Ronald Nash outlines the Christian way of looking at God self and the world He holds that worldview up against the tests of reason logic and experience particularly discussing the problems of evil and the alleged nonsense of the historic Christian doctrines and of Jesus incarnation and resurrection He finds the Christian worldview sound and urges Christians to equip themselves intellectually to defend the faith on that battlefield He particularly hits the attractions to our generation of naturalism and the New Age movement pointing out their weaknesses and pitfalls as well as those of older worldviews Christian theism he writes is a system that commends itself to the whole person but he stresses that a great difference exists between belief that and belief in **An Introduction to Christian Worldview** Tawa J. Shephardson, 2022-12-06 Intellectual support for defending your faith Knowledge of God in the World and the Word is a clear and succinct introduction to classical Christian apologetics that also addresses the most common objections to natural theology Amid the crisis of authority in our modern and postmodern era Christians need to be able to point to God s revelation in the natural world in addition to defending God s unique revelation in the Bible and in the person of Jesus Christ Classical apologetics takes a two step approach to commending the Christian picture of reality first establishing arguments for the existence of God and then defending key items of Christian revelation including The reliability of the Bible The

identity of the historical Jesus The resurrection of Jesus Christ from the dead With this book you will discover an easy point of entry into understanding why Christian beliefs about Jesus are true and rational Perfect for any Christian who wants to articulate a sophisticated and comprehensive defense of their faith **THE SIXTH SEAL II** Cliff Kelly,2024-01-30 Today we are witnessing the historically powerful American Order experiencing perhaps its greatest peril as it struggles against the tidal wave of new challenges from Covid 19 the rapid rise of Christian Nationalism large scale Apostasy and an increasingly divided nation streaming toward increased violence and possibly even Civil War Dr Kelly takes on these growing trends by examining Scripture by Scripture the Sixth Chapter of the Book of Revelation as a Template to help explain the reasons for the current Crisis and where America is likely headed if we do not effectively and biblically confront it He argues that these events constitute the many Birth Pangs leading up to the stunning Return of Jesus Christ to rescue His true Church and judge the nations But before that Day Christians in America and around the world must prepare to move through those first tumultuous Seals as God sifts and separates the true follower of Christ from the impostors This is a riveting ride and the reader is urged to have a Bible and a notepad close by as we explore what Dr Kelly termed in the first edition of this book The End of History as We Know It 2 *Logic and the Way of Jesus* Travis Dickinson,2022-02-15 The major claim of Dickinson s work is that if we embrace the life of the Christian mind we can impact this world for the cause and kingdom of Christ **Humble Confidence** Benno van den Toren,Kang-San Tan,2022-12-20 Benno van den Toren and Kang San Tan provide a global intercultural model of apologetics as crosscultural dialogue and accountable witness Filled with Scriptural examples and real world experiences this is a conversational patient holistic and embodied guide to creating true dialogue in our multicultural multifaith world **The Art of Biblical History** V. Philips Long,1994 The final volume in the acclaimed Foundations of Contemporary Interpretation series this book deals with these crucial questions Is the Bible a history book What do we mean by history anyway In what sense is biblical historicity important for faith Why is there so much scholarly disagreement over historical issues relating to the Bible **African Contextual Realities** Rodney L. Reed,2018-08-14 Everyone who has eyes to see acknowledges the growing importance of the African church to the future of global Christianity But what does it mean for the church to take root in Africa How should the message of the gospel and the practice of Christianity be contextualized for Africa African Contextual Realities addresses many of the questions surrounding contextualization from a practical point of view and is the fruit of the 6th Annual Conference of the Africa Society of Evangelical Theology held in Nairobi in 2016 The book explores such questions as In what ways should the mission of God be universally recognizable in every cultural context In our efforts to contextualize how do we avoid compromising the very gospel we are to proclaim How can the African church wean itself away from dependency on the Western church How does Christianity speak into some of the cultural and social issues arising out of contemporary African settings issues like widow cleansing Christian Muslim relations and peace building All those who are interested to learn more about the

contextualization of African Christianity will find this volume to be an important resource God and Caesar Stephen M. Harris, 2004-04-22 *The Integration of Faith and Learning* A Worldview Approach provides students with the philosophical context and practical tools necessary for making the connections between Christian knowledge and the knowledge they will acquire during their undergraduate and graduate years in higher education This book focuses on helping students understand how worldviews influence the interpretation of data and even what is judged to be knowledge itself The worldviews of philosophical naturalism postmodernism and Christianity are compared and analyzed Throughout the book emphasis is placed on helping students develop the practical skills needed to evaluate knowledge claims and to integrate all knowledge into a unified whole through the touchstone of Christian truth **Reboot!** Phil Burgess, 2011-08 *About Reboot* Reboot to work retirement is a disease It's better to wear out than rust out That is the message of Reboot While American culture glamorizes the Golden Years of endless leisure and amusement Phil Burgess rejects retirement as he makes the case for returning to work in the post career years a time he calls later life Based on solid research from the social and medical sciences the author says It is better to die with your boots on fully engaged in helping others and repairing the world Reboot is partly autobiographical Indeed the author is working well into his own post career years following two failed retirements He is also convincing in his eye opening historically rooted and hope filled arguments for engaging in life long work that is productive and satisfying Reboot identifies five different types of work in kind volunteer Samaritan enrichment and paid work Booters who incorporate one or more of these types of work into their post career lifestyle will according to Burgess live longer live better and die faster avoiding boredom aimless busy ness diminished self worth and the anguish and cost of lingering death With America's 78 million boomers turning 65 at the rate of 10 000 a day for the next 18 years Reboot provides a timely and provocative alternative to the conventional idea of retirement With the promises of Social Security and Medicare about to be broken Reboot provides an upbeat and constructive way to deal with new financial realities For men and women navigating life's transitions striving to finish well Reboot provides a roadmap for living a life of meaning challenging the reader to be a booter not a retiree Burgess boldly asserts that retirement is a deadly disease and that work after a life of work is the best option for post career years that are meaningful productive healthy and satisfying See www.BooterNation.com Excerpts On retirement Not all ideas are good ideas Some are bad ideas Retirement is one of those bad ideas it makes no sense Retirement is not natural It is not historic It is not healthy It is not for most people

fulfilling For many retirement is a widow maker On the value of work The social engagement and satisfaction that come from working in later life are keys to successful aging There is much work to do in this world where we are but temporary inhabitants We should find it and do it at least for as long as we re able In many ways our life depends on it On work and money Work is not only about money Even if you don t need the money and your financial situation is stable and comfortable returning to work in your post career life is the smart thing to do at least until sidelined by frailty or disability It s smart because good health and satisfaction in later life are most likely to come from working On different types of work For most of us post career work will be tailored work work customized to reflect our needs our deepest desires and the highest and best use of our gifts especially time talent and treasure Work tailored to our gifts will be productive and satisfying **Threshold:**

Aperture to the Light of the World , Atonement and the New Perspective Stephen Burnhope,2018-08-10

Atonement has been described as the central doctrine of Christianity and yet surprisingly the church has never insisted on a particular understanding of how redemption in Christ was achieved Instead a miscellany of metaphors has been employed each picturing something of Christ s work Recent debate within Reformed Evangelicalism has been characterized by claims for hegemony to be granted to penal substitution versus counter arguments for a kaleidoscopic multi model understanding Notably absent in these discussions however are two considerations One is any common nexus to draw atonement thought together The other is any positive theological contribution deriving from God s preexisting relationship with Israel the presumed role of which has rather been to provide a negative contrast of law versus grace and works versus faith as the dark background against which the light of Christ may shine more brightly Recent scholarship however particularly the new perspective on Paul has comprehensively dismantled the old stereotypes concerning first century Judaism This book asks how differently we might think about the atonement once it is brought into conversation with the new scholarship It concludes by proposing a new perspective on atonement in which Christ is central Israel and Torah are affirmed and the traditional metaphors continue to find their place *Think Biblically (2nd edition)* John MacArthur,Abner Chou,2025-03-24 23 Essays
