**The Fallen Trilogy (Books 1-3)** JR Konkol, Konkol's debut and Rebirth of the Fallen series launch offers a glimpse into a bleak but arresting world where only three human controlled cities remain after the rest have fallen to demons. This grimdark fantasy adventure will strongly appeal to adult readers. Publishers Weekly: A must read for anyone who loves epic dark fantasy. Steven Searls, author of *My Travels With a Dead Man*. This box set includes the all three Rebirth of the Fallen fantasy novels. Book 5: The Sundered City now available. CITADEL OF THE FALLEN Book One: Deep within the rainforest a group of students barely survive an encounter with an ancient boar. In doing so they stumble upon a series of events that threaten to destroy their entire civilization. The Black Tide: the annual rampage of millions of giant ants through the rainforest has been coerced by the Demon Queen to take a path that will send it tearing through the farmlands that support the Citadel, their home. While the adults frantically race to prepare for the coming disaster, one survivor, Malcolm, experiences violent visions of the past. He learns that he's no longer alone in his own body. His revelations lead his friends to discover that many of the leaders within the Citadel are similarly possessed. Citadel of the Fallen is the exciting start of the much larger story told across the Rebirth of the Fallen dark fantasy series. Vivid and terrifying but with an emotional depth that will keep readers yearning for more. JR Konkol weaves a complex tale with a delicate balance of cinematic action and political intrigue. A vast fallen world with even deeper mysteries is waiting just a few clicks away. Unlock it today. GATHERING THE FALLEN Book Two: After barely surviving the Black Tide and the demonic assault that followed, the group of newly possessed friends struggle to make peace with the willful spirits that inhabit them. While the spirits grant wisdom and power, it often comes at a terrible price. Driven by her spirit's crippling guilt and sorrow, Eliana leads her friends on a dangerous journey across the jungle in a desperate search for answers. What happened in the Darkwood? What role did her spirit play in what transpired? While the friends quest for understanding, the people of the Citadel struggle to rebuild and replant their ravaged farmlands. But hidden amongst them, an ancient demon carefully gathers power as she prepares to launch an assault against the magical painting that protects and preserves the Citadel. FLIGHT OF THE FALLEN Book Three: Faced with the approach of an unstoppable army, the people of the Citadel are forced to flee. While most of the population attempts to escape along the southern waterways, the group of newly possessed friends choose a more dangerous path. Guided by visions, the possessed friends enter the Thelaram, an expansive network of caves stretching hundreds of miles beneath the rainforest. The visions direct them to the ruins of the ancient city of Semilae where a hidden library lies. Meanwhile, Raelyn, the willful demon who brought about the fall of the Citadel, struggles to make a home for herself in Derregain, the largest remaining human city. The Demon Queen has placed a price on her head, and many powerful demons are interested in collecting. But Derregain itself is struggling as sickness begins to spread through city streets. Raelyn knows the plague is demonic in origin, but will she survive long enough to share her knowledge? [The Magicians Trilogy Books 1-3](#) Lev Grossman, 2015-06-09 The entire 1 New York

Times bestselling Magicians trilogy including *The Magicians*, *The Magician King* and *The Magician's Land* now available in one ebook bundle *The Magicians*. Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite secret college of magic, it looks like his wildest dreams may have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination. *The Magician King*. Quentin Coldwater should be happy. He escaped a miserable Brooklyn childhood, matriculated at a secret college for magic, and graduated to discover that Fillory, a fictional utopia, was actually real. But even as a Fillorian king, Quentin finds little peace. His old restlessness returns, and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend, Julia, Quentin sets off, only to somehow wind up back in the real world, and not in Fillory as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth. *The Magician's Land*. Quentin Coldwater has lost everything. He has been cast out of Fillory, the secret magical world of his childhood dreams that he once ruled. With nothing left to lose, he returns to where his story began: the Brakebills Preparatory College of Magic. But he can't hide from his past, and it's not long before it comes looking for him. Meanwhile, the magical barriers that keep Fillory safe are failing, and barbarians from the north have invaded. Eliot and Janet, the rulers of Fillory, embark on a final quest to save their beloved world, only to discover a situation far more complex and far more dire than anyone had envisioned. Along with Plum, a brilliant young magician with a dark secret of her own, Quentin sets out on a crooked path through a magical demimonde of gray magic and desperate characters. His new life takes him back to old haunts like Antarctica and the Netherlands, and old friends he thought were lost forever. *The Magician's Land* is an intricate and fantastical thriller and an epic of love and redemption that brings the Magicians trilogy to a magnificent conclusion, confirming it as one of the great achievements in modern fantasy.
