Toolbox For Crisis Communications In Tourism:

Toolbox for Crisis Communications in Tourism World Tourism Organization, 2011 Crisis communications is a crucial element of a good crisis management system. It helps limit the negative impact of a crisis by addressing the information needs of all industry stakeholders in an efficient, timely and responsible manner. Against this background, UNWTO has developed for the National Tourism Organizations (NTOs), Destination Management Organisations (DMOs) and private sector organisations involved in travel and tourism this comprehensive up-to-date Toolbox on Crisis Communications in Tourism. It includes step-by-step protocols, checklists, sample templates configured by type of crisis and media categories, guidelines for measuring effectiveness, best practices and a special chapter fully dedicated to the use of social media in times of crisis. This Toolbox serves as a practical guide for travel and tourism stakeholders to effectively address the challenges generated by crises. **Toolbox for Crisis Communications in Tourism - Checklists and Best Practices (Arabic Version).** ,

Tourism Through Troubled Times Maximiliano E. Korstanje, Hugues Seraphin, Shem Wambugu Maingi, 2022-09-23 Tourism Through Troubled Times is an illuminating read for all scholars of Tourism Studies, Hospitality Management and the Sociology of Tourism as well as practitioners and managers within the hospitality sector and gives clear insights into the industry's next steps forward. *Disaster Education, Communication and Engagement* Neil Dufty, 2020-03-10 A detailed guide to the design and evaluation of effective disaster learning programs, Disaster Education, Communication and Engagement provides a much-needed evidence-based guide for designing effective disaster learning plans and programs that are tailored to local communities and their particular hazard risks. Drawing on the most recent research from disaster psychology, disaster sociology and education psychology as well as evaluations of disaster learning programs, the book contains practical guidance for putting in place a proven design framework. The book outlines the steps to take in order to tailor a disaster education communication and engagement program and highlights illustrative examples of effective programs and activities from around the world. The author includes information on how to identify potential community learners and presents a methodology for understanding the at-risk community, its hazard risks, disaster risk reduction and emergency management arrangements. Disaster Education, Communication and Engagement describes both country-wide campaigns and local disaster programs that involve community participation. This important resource presents a detailed framework to guide the design and evaluation of tailored disaster learning programs. Includes information that links disaster resilience with sustainability and climate change learning. Describes the disaster cycle and reviews learning content and methods related to the cycle. Explains effective ways to combine disaster education, disaster communications and disaster-related engagement. Contains material on using new technologies such as gamification, virtual reality and social media. Written for emergency managers, students of emergency management and humanitarian courses. Disaster Education, Communication and Engagement is a hands-on guide filled with ideas and templates for designing and evaluating targeted
