Tools For Rebuilding 75 Really Really Practical Ways To Make Your Parish Better:

Tools for Rebuilding Michael White, Tom Corcoran, 2013-11-25 Fr Michael White and Tom Corcoran know that the fundamental work of the Church is to evangelize to introduce people to Christ and make them disciples. Still they're the first to admit the difficulty comes when we reach down into the details and get to work. In their barn-burning first book *Rebuilt* White and Corcoran shared their story and vision of building better Catholic parishes. Now in their eagerly anticipated second book *Tools for Rebuilding* they lay out seventy-five proven tactics for getting the job done. In *Tools for Rebuilding 75 Really Really Practical Ways to Make Your Parish Better* White and Corcoran share seventy-five foundational tactics that helped to rejuvenate their parish. Their candid hands-on advice gives a clear way forward, one that will make church matter to the people in the pews and that anyone working in parish ministry can implement. Principles/tactics include: Get the Right People on the Bus, Christmas Is Over So Throw Out the Dead Poinsettias, Stop Advertising Other People's Stuff in Your Bulletin, Don't Let the Insiders Take All the Good Seats Just Because It's Slow, Doesn't Mean It's Holy, When It Comes to First Communion Just Surrender, Funerals Are Scud Missiles, Preach the Announcements, Start Getting Rid of Fundraisers, Everything Takes Longer Than You Think, Pastor It's Not All About You, Stop Trying to Make People Go to Church and Make Church Matter.

Preaching for Discipleship Michael E. Connors, 2021-01-25 The homily is a primary way that pastors and deacons can communicate how the whole parish community forms the catechumens. Many parishioners are not aware of their role in the Christian initiation process. In *Preaching Discipleship: Preparing Homilies for Christian Initiation* Michael E. Connors, CSC provides homilists and catechists with the tools to evangelize not only the catechumens present but also to capture the imagination of the parish community so that they too realize their own role in the Christian initiation process. This resource will help the homilist build a homily, foster a deeper appreciation of the call to discipleship on the part of the assembly, instruct the assembly on their role in the Rite of Christian Initiation so that right from the outset the catechumens may feel that they belong to the people of God, bring the baptized and catechumens into a deeper personal relationship with the Lord, and provide specific insights during the period of Mystagogy. [The Rebuilt Field Guide](#) Michael White, Tom

Corcoran, 2016-10-10 You know your Catholic parish needs to change its focus but you're not sure where or how to begin. In *The Rebuilt Field Guide*, award-winning authors Rev Michael White and Tom Corcoran walk you through ten essential steps for getting started with your church's reawakening. After publishing their groundbreaking book *Rebuilt* in 2013 about the rebirth of the Church of the Nativity in Timonium, Maryland, Fr Michael White and Tom Corcoran were inundated with requests for help from other Catholic parishes about where to start. Subsequent books in the *Rebuilt Parish* series: *Tools for Rebuilding*, *Rebuilding Youth Ministry*, and *Rebuilding Your Message* offer additional means to reach the end goal of making church matter and growing disciples by challenging the faithful and reaching the lost with the life-changing message of Jesus Christ. In the newest book in the *Rebuilt Parish* series, White and Corcoran lead you and your leadership team through

assessment and goal setting exercises and provide meeting templates that include prayer scripture reflection storytelling and rally cries that become reminders of the change the team is striving toward This workbook offers practical steps that will help your team set change in motion with tools including A checklist that helps identify the real problems facing your parish and seven questions to help you prioritize them A seven part exercise to help you decide which parish activities do not support your disciple making mission and then make a plan to stop doing them A simple focused demographic assessment to help you identify your own Timonium Tim A discussion and planning guide for moving toward great liturgical music Seven conversation starters to help your team set a course for dealing with the conflict that inevitably comes with change The exercises are adapted from those used at Church of the Nativity and correlate to the chapters of Rebuilt The book will show you how to stop everything you are doing rethink your purpose and focus your attention on discipleship and evangelization
