my minority status as a woman of colour in the academic world and the Canadian cultural mosaic where I sought and found acceptance respect and even affection My observations about teaching family friendship the arts health concerns majority and minority relations and transformation resonate with the abiding belief of social scientists in humankind's oneness in mind and spirit They are timely reminders that in an increasingly fractious world we are better off engaging with each other grounding ourselves in honesty civility and compassion as we share space and help navigate this magnificent boat called Earth
