Jolly, 2011-11 The Traffic Ticket Handbook How to Beat your Traffic Ticket More than 100 000 people receive a speeding ticket in the United States on a daily basis This translates into more than 36 500 000 tickets every single year being issued to drivers in the United States It has been concluded that the average fine for a traffic ticket is approximately 150 which translates into nearly 5 4 billion in revenue for the government or branches of annually However anyone who has received a speeding ticket or two understands that the financial pain is not restricted to the dollar amount on the face of the ticket The collateral consequences of traffic tickets also impact a driver s insurance The insurance companies in the United States seek billions of dollars per year in raised premiums from drivers who have committed traffic violations It should therefore be obvious that the government and insurance companies benefits from driver indiscretions and the dutiful work of thousands of police officers Whether the government admits it or not traffic tickets are a wonderful way to raise revenue And with the Country in an undeniable financial panic and near bankruptcy what better way to quash the financial fears than by robbing its citizens If you have recently received a traffic ticket you are well aware of how expensive they are Further the costs of some individual traffic tickets are illogical and offensive The manner in which officers are quietly informed to fill their quota of traffic tickets is the modern equivalent of the Roman Empire s tax collectors Therefore if you have received a traffic ticket particularly one that is considered a moving violation why wouldn t you fight it Some states consider such minor violations criminal so you must fight these allegations to preserve your record Too much is at stake For those states that consider traffic violations mostly civil you should still fight as there undoubtedly will be negative impact if you do not More to the point the financial penalties are arbitrarily set so at the very least fight the amount indicated on the face of the ticket We all try to limit our taxes lawfully and ultimately this is simply another form of taxation The Traffic Ticket Handbook is specifically dedicated to those individuals who have been cited for speeding tickets or any moving violation and wish to learn more about the traffic ticket process and how to fight and beat the ticket If you have been cited and need to protect your insurance and driving privilege this book is for you The Traffic Ticket Handbook will explain how the different

How to Win Your Case in Traffic Court Without a Lawyer Janet Traken,2011 Do you know why I pulled you over That is the epitome of a rhetorical question and an estimated 100 000 people hear those eight words every day in the United States for scoring a speeding ticket Some of those tickets may be unwarranted but only 5 percent of folks try to contest their ticket The cost of hiring a lawyer and fighting a case does not seem proportionate to the 300 ticket so the other 95 percent accept defeat and grudgingly pay the fine to avoid being tied up those legal fees Luckily there is a way you can successfully fight case in traffic court without dishing out the dough for an attorney How to Win Your Case In Traffic Court Without a Lawyer breaks down the steps to take once you get a ticket Learning the law is essential to know whether you can effectively fight your ticket and this book breaks down and outlines the details of the law for each major type of moving violation including speeding ticket running a stop sign or traffic light failure to yield and many more You will learn what happens once you receive these violations and which infractions you can fight without a lawyer in traffic court You will learn which defenses absolutely will not work so you do not waste your time attempting to use them in court You will learn how to collect your own evidence and effectively prepare for a trial Winning your trial is not a promise of the book but you will be able to give it an impressive shot by learning exactly how each traffic court case is handled and what you can expect when you take your particular case to court There is an essential difference between jury and judge only trials and you will learn how to prepare for each of them as well as how to tweak your case to match any of the 50 states in which you live If you have received an unfair traffic violation How to Win Your Case in Traffic Court Without a Lawyer will help you do just that When you choose to fight you have nothing to lose and everything to gain Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president e tm s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed
