Train Go Sorry Inside A Deaf World:

Train Go Sorry Leah Hager Cohen, 1995-04-25 A stunning work of journalism and memoir that explores the intimate truths of the silent but articulate world of the deaf In American Sign Language train go sorry means missing the boat Leah Hager Cohen uses the phrase as shorthand for the myriad missed connections between the deaf and the hearing As she ushers readers into New York's Lexington School for the Deaf Cohen whose grandfather was deaf and whose father was the school's superintendent she also forges new connections *Train Go Sorry* Leah Hager Cohen, 1999 [Train Go Sorry](#) Leah Hager Cohen, 1994-02-16 A remarkable and insightful look inside a New York City school for the deaf blending memoir and history The New York Times Book Review Leah Hager Cohen is part of the hearing world but grew up among the deaf community Her Russian born grandfather had been deaf a fact hidden by his parents as they took him through Ellis Island and her father served as superintendent at the Lexington School for the Deaf in Queens Young Leah was in the minority surrounded by deaf culture and sometimes felt like she was missing the boat or in the American Sign Language term train go sorry Here the award winning writer looks back on this experience and also explores a pivotal moment in deaf history when scientific advances and cultural attitudes began to shift and collide in a unique mix of journalistic reporting and personal memoir that is a must read Chicago Sun Times The history of the Lexington School for the Deaf the oldest school of its kind in the nation comes alive with Cohen's vivid descriptions of its students and administrators The author who grew up at the school follows the real life events of Sofia a Russian immigrant and James a member of a poor family in the Bronx as well as members of her own family both past and present who are intimately associated with the school Cohen takes special pride in representing the views of the deaf community which are sometimes strongly divided in such issues as American Sign Language ASL vs oralism hearing aids vs cochlear implants and mainstreaming vs special education The author's lively narrative includes numerous conversations translated from ASL a one of a kind book Library Journal Throughout the book Cohen focuses on two students whose Russian and African American roots exemplify the school's increasingly diverse population beautifully written Booklist **Summary of Leah Hager Cohen's Train Go Sorry** Everest Media, 2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Our family lived at the school because our parents worked there Our mother taught nursery school and our father was the director of child care They knew every inch of Lexington and they seemed to have a deep connection with it 2 My family lived at the school for seven years from when I was a baby until I graduated high school I grew up knowing only two types of people deaf or hearing I was used to cultural differences even within my own family 3 My father's family is from Lexington and I have many memories of going to events there as a child The last prolonged moments by the door grew out of a hunger for connection 4 I grew up thinking that I was deaf and that Lexington School for the Deaf was my home I took it for granted that Lexington was a special place set apart from what lay beyond **Using Literature to Help Troubled Teenagers**

Cope with Health Issues Cynthia Ann Bowman, 2000-03-30 Today traditional illnesses and high risk behaviors of adolescents have become interrelated through the multitude of physical social and emotional changes young people experience Good literature which gives adolescents the truth has incredible power to heal and to renew This reference resource provides a link for teachers media specialists parents and other adults to those novels that can help adolescents struggling with health issues Educators and therapists explore novels where common health issues are addressed in ways to captivate teens Using fictional characters these experts provide guidance on encouraging adolescents to cope while improving their reading and writing skills With the advancement in medicine traditional types of health issues such as birth defects cancer and sensory impairment have shifted to more behavior related problems such as depression alcoholism and eating disorders All of these issues and others are examined from both a literary and psychological perspective in thirteen chapters that explore health issues through fiction Each chapter confronts a different health issue and is written by a literature specialist who has teamed up with a therapist In each novel these experts define the central character's struggle in coming to terms with an issue and growing in response to their difficulties Annotated bibliographies of other works both fiction and nonfiction explore these same issues give readers insight into helping teenagers with similar problems and provide the tools with which to get teenagers reading and addressing these problems *Disability* Romel W.

Mackelprang, Richard O. Salsgiver, 2016 Disability is a tool for human service practitioners to use in understanding disability from an empowerment social model perspective The text addresses policy theory description and practice from a strengths based viewpoint stressing disability as a difference rather than as dysfunction The book establishes the historical and societal context in which those with disabilities are marginalized discusses the major groupings of disabilities and offers a model for assessment and practice Cutting-Edge Social Policy Research Richard Hoefer, 2012-12-06 Apply knowledge from the

latest research to urgent social problems and programs Cutting Edge Social Policy Research is a careful selection of the finest papers from the 2004 Social Policy Conference held in Charleston South Carolina These presentations from respected experts spotlight the latest and best research on a wide variety of crucial social policy issues Explanations are provided on how to use qualitative and quantitative methods to research social policy questions with a clear view on how to apply research results to today's social problems and programs Cutting Edge Social Policy Research discusses various social policy topics approaches and the latest high quality research and findings Students learn how others have researched the topics using different approaches while practitioners gain important new information relevant to their jobs and practice areas Chapters explore vital perspectives such as how to link program evaluation to policy practice how clients in their own voices bring more convincing rationale to policymakers and how the trauma perspective can spotlight the true effects of poverty inequality and oppression in our society The text includes extensive up to date bibliographies and literature reviews Topics in Cutting Edge Social Policy Research include measuring program implementation to differentiate between theories

that don't work and programs that aren't effective inclusion of qualitative methods into research in social policy the latest quality of life research for the elderly in nursing homes effective intervention practices for deaf and hard of hearing children susceptible to abuse in depth analysis of the eight variables of the Section 8 Housing Program policy process trauma theory and its application to poverty policy the impact of work incentive policies examination of state and local governments granting large tax breaks to corporations and the implications for social welfare practitioners Cutting Edge Social Policy Research is stimulating insightful reading for practitioners educators and students in social policy social work sociology and political science The Complete Idiot's Guide to Conversational Sign Language Illustrated Carole Lazorisak, Dawn Donohue, 2004 DVD with more than 600 words and phrases Cover *Innovations in Deaf Studies* Annelies Kusters, Maartje De Meulder, Dai O'Brien, 2017-04-14 Innovation in Deaf Studies explores deaf scholars research practice in Deaf Studies and highlights innovations in the field by foregrounding deaf ontologies and how they inform researchers theoretical frameworks positionalities and methodologies Inclusive Practices and Social Justice Leadership for Special Populations in Urban Settings M.C. Kate Esposito, Anthony H. Normore, 2015-04-01 Inclusive Practices and Social Justice Leadership for Special Populations in Urban Settings A Moral Imperative is comprised of a collection of chapters written by educators who refuse to let the voices of dissent remain marginalized in our discussion of education in the 21st century education Drawing from the authors extensive experience in educational research and practice coupled with their commitment to inclusion of special populations and social justice they urge readers to examine how educational policies are produced for the least advantaged in our schools Effective inclusionary practices most certainly benefit all students including English language learners those who face gender discrimination those who are in the foster care system and those who are Gay Lesbian Bisexual or Transgendered This collection presents a broader theoretical inclusive framework rooted in social justice which we assert offers the best practices for a greater number of students who are at risk of minimal academic success This broader conceptualization of inclusive schools adds to extant discourses about students with exceptional needs and provides effective strategies school leaders operating from a social justice framework can implement to create more inclusive school environments for all students especially those in urban centers It is hoped that lessons learned will improve the preparation and practice of school leaders thus improve educational outcomes for students from special populations
