Welcoming Strangers Nonviolent Re Parenting Of Children In Foster Care:

Welcoming Strangers Jane Hall Fitz-Gibbon, Andrew Fitz-Gibbon, 2016-05-31 Jane Hall Fitz Gibbon and Andrew Fitz Gibbon have cared for more than 100 children in a foster care career spanning more than three decades They developed a method loving nonviolent re parenting to best care for foster children Re parenting represents the complex task of caring for children who have been parented already often inadequately and mostly involving physical emotional and or systemic violence Welcoming Strangers analyzes the violence foster children suffer and raises ethical questions why violence is morally problematic what philosophers have said about human nature and violence and what moral good should be pursued in childcare Drawing on an ancient form of ethics sometimes known as virtue ethics this book focuses on the traits required to become a loving nonviolent re parent The Fitz Gibbons tell of their journey in the foster care system with candor humor and grace Covering subjects as diverse as teens sex discipline and the carer s own well being they describe the difficulties of foster care and the sometimes impossible task of restoring dignity and joy to young lives deeply damaged by violence This book will be of immense help to foster carers adopters caseworkers case managers policymakers and any parent who wants to integrate nonviolent practices into the way they care for children

Welcoming Strangers Andrew L Fitz-Gibbon, 2017 Jane Hall Fitz Gibbon and Andrew Fitz Gibbon have cared for more than 100 children in a foster care career spanning more than three decades They developed a method loving nonviolent re parenting to best care for foster children Re parenting represents the complex task of caring for children who have been parented already often inadequately and mostly involving physical emotional and or systemic violence Welcoming Strangers analyses the violence foster children suffer and raises ethical questions why violence is morally problematic what philosophers have said about human nature and violence and what moral good should be pursued in childcare Drawing on an ancient form of ethics sometimes known as virtue ethics this book focuses on the traits required to become a loving nonviolent re parent The Fitz Gibbons tell of their journey in the foster care system with candour humour and grace Covering subjects as diverse as teens sex discipline and the carer s own well being they describe the difficulties of foster care and the sometimes impossible task of restoring dignity and joy to young lives deeply damaged by violence This book will be of immense help to foster carers adopters caseworkers case managers policymakers and any parent who wants to integrate nonviolent practices into the way they care for children Provided by publisher

Nurturing Strangers Andrew Fitz-Gibbon, Jane Hall Fitz-Gibbon, 2018-12-07 Nurturing Strangers focuses on loving nonviolent re parenting of children in foster care This book is a jargon free mix of narrative and real life case studies together with the theory and practice of nonviolence Nurturing Strangers and the authors previous book Welcoming Strangers are the first books to apply philosophies of nonviolence directly to the care of children in the foster care system One of their strengths is that the books are not merely theoretical but rooted in the practice of nonviolence with children for over thirty years Nurturing Strangers is for foster carers caseworkers case managers social work students and parents as

well as the general reader interested in children who have been victims of violence in and out of the foster care system

Welcoming Strangers Andrew Fitz-Gibbon, Jane Hall Fitz-Gibbon, 2017-09-08 Jane Hall Fitz-Gibbon and Andrew Fitz-Gibbon have cared for more than 100 children in a foster care career spanning more than three decades. They developed a method of loving nonviolent re-parenting to best care for foster children. Re-parenting represents the complex task of caring for children who have been parented already, often inadequately and mostly involving physical, emotional and/or systemic violence. *Welcoming Strangers* analyses the violence foster children suffer and raises ethical questions: why violence is morally problematic, what philosophers have said about human nature and violence, and what moral good should be pursued in childcare. Drawing on an ancient form of ethics, sometimes known as virtue ethics, this book focuses on the traits required to become a loving nonviolent re-parent. The Fitz-Gibbons tell of their journey in the foster care system with candour, humour and grace. Covering subjects as diverse as teens, sex, discipline and the carer's own well-being, they describe the difficulties of foster care and the sometimes impossible task of restoring dignity and joy to young lives deeply damaged by violence. This book will be of immense help to foster carers, adopters, caseworkers, case managers, policymakers and any parent who wants to integrate nonviolent practices into the way they care for children.

Pragmatic Nonviolence: Working toward a Better World Andrew Fitz-Gibbon, 2020-12-29 Written in dialogue format, Andrew Fitz-Gibbon's *Pragmatic Nonviolence* argues that nonviolence is the best hope for a better world. Human violence in all its forms—physical, psychological and systemic—cultural is perhaps the greatest obstacle to well-being in personal and community life. Nonviolence as a practice that, whenever possible, seeks the well-being of the Other by refusing to use violence to solve problems and by acting according to loving kindness is the best antidote to human violence. By drawing on the philosophy of nonviolence, the American pragmatist tradition and recent empirical research, *Pragmatic Nonviolence* demonstrates that, rather than being merely theoretical, nonviolence is a truly practical approach toward personal and community well-being.

Nonviolent Perspectives Andrew Fitz-Gibbon, 2025-02-04 This book is a compilation of essays addressing the central issue of humanity: interpersonal violence and, more importantly, nonviolence as its antidote. The essays trace the author's journey from early pacifist convictions, influenced by personal experiences with violence, to a nuanced understanding of nonviolence rooted in ethics, love, spirituality and critical theory. Spanning over two decades, the writings explore various dimensions of nonviolence, from philosophical arguments and historical analysis to practical applications in parenting, political resistance and care ethics. The book brings together previously published works that have been instrumental in shaping the author's thinking, making them accessible for scholars, students and anyone interested in nonviolence. With reflections on the works of Murdoch, MacIntyre, Gandhi and others, it offers a comprehensive examination of nonviolence as both a personal practice and a social imperative.

Corporal Punishment, Religion, and United States Public Schools Jane Hall Fitz-Gibbon, 2017-06-27 This book examines corporal punishment in United States public schools. The practice, which is still legal in nineteen states, affects approximately a quarter

million children each year Justification for the use of physical punishment is often based on religious texts Rather than simply disregarding the importance of religious commitment this volume presents an alternative faith based response The book suggests the hermeneutical triad of sacred text tradition and reason as an acceptable approach for those seeking to be faithful to religious text and tradition *The Routledge Handbook of Pacifism and Nonviolence* Andrew Fiala,2018-02-02

Interest in pacifism an idea with a long history in philosophical thought and in several religious traditions is growing The Routledge Handbook of Pacifism and Nonviolence is the first comprehensive reference designed to introduce newcomers and researchers to the many varieties of pacifism and nonviolence to their history and philosophy and to pacifism s most serious critiques The volume offers 32 brand new chapters from the world s leading experts across a diverse range of fields who together provide a broad discussion of pacifism and nonviolence in connection with virtue ethics capital punishment animal ethics ecology queer theory and feminism among other areas This Handbook is divided into four sections 1 Historical and Tradition Specific Considerations 2 Conceptual and Moral Considerations 3 Social and Political Considerations and 4 Applications It concludes with an Afterword by James Lawson one of the icons of the nonviolent American Civil Rights movement The text will be invaluable to scholars and students as well as to activists and general readers interested in peace nonviolence and critical perspectives on war and violence **The Fragility of Tolerant Pluralism** Andrew Fitz-Gibbon,2017-11-08 Sparked by the recent threats to an open and pluralistic society in both Europe and the United States The Fragility of Tolerant Pluralism is an exploration of social and political philosophy Using the early sixteenth century as a lens to view our own struggles with multiple visions of a good society the book looks at tolerant pluralism in the light of the twin challenges of resurgent nationalisms and Islamist terrorism The book makes a case not only for social toleration but for a deep pluralism that both values and celebrates difference It also suggests that the radical sects in Europe in the early sixteenth century challenged the political and religious monisms of both Catholic and Protestant territories hence planting the seeds of tolerant pluralism The struggles faced in the sixteenth century both reflect and inform our own pressing concerns today and as such The Fragility of Tolerant Pluralism draws six lessons for our current situation Peace, Culture, and Violence Fuat Gursozlu,2018-03-06 Peace Culture and Violence examines deeper sources of violence by providing a critical reflection on the forms of violence that permeate everyday life and our inability to recognize these forms of violence Exploring the elements of culture that legitimize and normalize violence the essays collected in this volume invite us to recognize and critically approach the violent aspects of reality we live in and encourage us to envision peaceful alternatives Including chapters written by important scholars in the fields of Peace Studies and Social and Political Philosophy the volume represents an endeavour to seek peace in a world deeply marred by violence Topics include thug culture language hegemony police violence war on drugs war terrorism gender anti Semitism and other topics Contributors are Amin Asfari Edward Demenchonok Andrew Fiala William Gay Fuat Gursozlu Joshua M Hall Ron Hirschbein Todd Jones Sanjay Lal Alessandro

Welcoming Strangers Nonviolent Re Parenting Of Children In Foster Care Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Welcoming Strangers Nonviolent Re Parenting Of Children In Foster Care PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Welcoming Strangers Nonviolent Re Parenting Of Children In Foster Care PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Welcoming Strangers Nonviolent Re Parenting Of Children In Foster Care free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
