Mergent Industrial Manual, 2003 **Global Media Convergence and Cultural Transformation: Emerging Social Patterns and Characteristics** Jin, Dal Yong, 2010-11-30 This book aims to engage the complex relationship between technology culture and socio economic elements by exploring it in a transnational yet contextually grounded framework exploring diverse perspectives and approaches from political economy to cultural studies and from policy studies to ethnography Provided by publisher **Western Japaneseness: Intercultural Translations of Japan in Western Media** Frank Jacob, Bruno Surace, 2021-03-02 Our images of non Western cultures are often based on stereotypes that are replicated over the years These stereotypes often appear in popular media and are responsible for a pre set image of otherness The present book investigates these processes and the media representation of otherness especially as an artificial construct based on stereotypes and their repetition in the case of Japan Western Japaneseness thereby illustrates how the Western image of Japan in popular media is rather a construct that in a way replicated itself instead of a more serious encounter with a foreign and different cultural context This book will be of great value to students and academics who hold interest in media studies Japanese studies and cultural studies It will also appeal to a broader audience with interests in Japan more generally Netbooks: The Missing Manual J.D. Biersdorfer, 2009-08-20 Netbooks are the hot new thing in PCs small inexpensive laptops designed for web browsing email and working with web based programs But chances are you don't know how to choose a netbook let alone use one Not to worry with this Missing Manual you'll learn which netbook is right for you and how to set it up and use it for everything from spreadsheets for work to hobbies like gaming and photo sharing Netbooks The Missing Manual provides easy to follow instructions and lots of advice to help you Learn the basics for using a Windows or Linux based netbook Connect speakers printers keyboards external hard drives and other hardware Get online using a wireless network a public network broadband cards or dial up Write email browse the Web transfer bookmarks and add tools to your web browser Use business tools like Google Docs and Office for Netbooks Collaborate with others online via instant messaging Edit and share photos play games listen to music and watch TV and movies online You'll also learn about web based backup and storage staying secure online especially when using wireless networks and tips for troubleshooting Netbooks point to the future of computing and Netbooks The Missing Manual will show you how to get there **Amazons**

in the Digital Era Arturo Sánchez Sanz, 2025-09-04 For more than 3 000 years the Amazons have been a recognised symbol that transcends mythology and has influenced history itself The image of the powerful warrior woman who defied the established patriarchal order proved so compelling that it became permanently enshrined in the collective imagination first through oral tradition and later through texts and images The contributions in this volume explore how this image has endured through the lens of classical reception From Wonder Woman to the war in Ukraine and across diverse genres such as video games fashion warfare and documentary film the Amazonian archetype has evolved beyond anything once imagined Today however we are witnessing a true transformation No longer embodying the negative traits the Greeks once ascribed to them the Amazons have become a symbol of strength resilience and empowerment a model for women s rights in a global society and an icon of feminism and the LGBTQIA community Divided into three parts this book analyses how the image of the Amazon has at different times and in different contexts been marginalised put on a pedestal and globalised For the first time media case studies and lived histories are examined to compare and contrast modern frameworks with each other and with the original Amazonian iconography What emerges is a concept of the Amazon as a modern paradigm that speaks as strongly to contemporary society as it did to the ancients but with a very different meaning *InfoWorld* ,1992-03-09
