The Seven Cities of the Apocalypse and Roman Culture Roland H.

Worth Jr.,2019-05-07 To understand the immediate cultural and societal background of the cities to which John wrote in Revelation 1 and 2 we must first understand the broader background of Roman civilization and its impact upon Asian province writes Roland H Worth in the introduction to this fascinating information packed work It is an in depth study of the history culture society economics and environment of early Christians living in Roman Asia Drawing on a multitude of resources from diverse disciplines Worth surveys Roman life and attitudes in general and demonstrates how Roman power developed and was exercised in Asia He describes life in Roman Asia what it was like to live in that province how the imperial cult grew and prospered there as well as the nature of official governmental persecution in the first century A second book *The Seven Cities of the Apocalypse and Greco Asian Culture* will fill in the details of the local background of the Christians for whom the mini epistles in the book of Revelation were written The Seven Cities of the Apocalypse and Greco-Asian Culture Roland H. Worth,2019-05-07 The companion to *The Seven Cities of the Apocalypse and Roman Culture* this study explores the social world in which early Christians functioned in Asia providing a comprehensive picture of life in this eastern province of the Roman Empire and focusing on how the local environment affects the interpretation of the book of Revelation The history population local culture economies and cults of each city are examined in detail Including data from hundreds of sources this volume should prove useful to students of both the Bible and Roman history as it bridges the gap between the two specialties and provides many details that enable the reader to imagine what life would really have been like in those ancient cities As such this study provides a valuable supplement to the broader question of Rome s general impact upon the region traced in the *Roman Culture* volume Although there are many works on the subject this is the only place where all the information is pulled together It is a useful resource for Scripture scholars nonprofessionals with an interest in Bible study professors and students of Scripture and historians specializing in the first century CE **Parody and Counterimaging in the Apocalypse** Joe E. Luncford,2009-10-01 As numerous scholars have noted The Revelation was first received orally Directed not merely to the intellect its author deliberately employed different literary schemes and devices to evoke the imagination of his audience In this new study Joe Luncford examines the specific use of parody and counterimaging in The Revelation arguing that this often overlooked device was an essential means by which its author engaged the imagination of his readers and hearers In light of the best of recent scholarship on The Revelation Luncford examines over thirty uses of this device most notably the contrasting images of the evil trinity of dragon beast from the sea and beast from the earth and the Holy Trinity **The Descent of the New Jerusalem** Andreas Hoeck,2003 This study applies discourse analysis to the book of Revelation and offers thus a novel approach to an important biblical text The object of examination is the last of John

s visions in his Apocalypse Rev 21 1 22 5 a text famous for its biblical theological density and for the great problems of literary and exegetical quality revealed by the history of exegesis The author accurately defines his text concept explains what he means by discourse analysis of the text and states its phases of application He evaluates recognized exegetes of the Apocalypse and then moves on to his analysis of the pericope 21 1 22 5 Seven macro sentences are marked out and explained The novelty of the method applied yields a fresh and invigorating exegesis through a distinctive adherence to the literary data of the text while observing unusual alertness toward verb tenses The Book of Revelation Robert H. Mounce, 1997-11-07 This contribution to The New International Commentary on the New Testament is a revision of Robert Mounce's original entry on the book of Revelation and reflects more than twenty additional years of mature thought and the latest in scholarship **The Abingdon Bible Commentary** Frederick Carl Eiselen, Edwin Lewis, David George Downey, 1929 **The Preacher's Complete Homiletical Commentary on the Old Testament** Anonymous, 1892 *The Biblical Archaeologist* George Ernest Wright, Frank Moore Cross, Edward Fay Campbell, Floyd Vivian Filson, 1992 **The Preacher's Complete Homiletical Commentary on the Old Testament: Minor Prophets**, 1892 **An American Commentary on the New Testament** Alvah Hovey, 1887 Popular Commentary of the Bible Paul Edward Kretzmann, 1922 Bibliographies for Biblical Research Watson E. Mills, 1995 A Commentary on the Holy Scriptures Johann Peter Lange, 1870 Commentary on Paul's Letter to Romans Moses Easterly Lard, 1875 Journal of Ecumenical Studies, 1991 **The Expository Times** James Hastings, Ann Wilson Hastings, Edward Hastings, 1908 **Homiletical Commentary on the Minor Prophets** James Wolfendale, 1879
