critique of socialism a critique of modern conservatism and deteriorating social values The Waning of the West An Inconvenient Truism delivers Sandys thoughts on the rejection of liberal democracy and the condemnation of the Western elite It goes on to outline a new system termed the essential option that has the manners values and qualities associated with meritorious aristocracy and is intended to gently steer Western culture and politics onto a more sustainable course

When Politics Comes Before Patients Shawn Whatley, MD,2020-11-18 How Successive Governments Have Weakened the Foundation of All Canadian s Social and Economic Security At some point you will find yourself lying in a hospital bed There is a good chance that your bed will be a firm rubber pad held secure between two rails and parked along a corridor in a busy emergency department Moans of Nurse will echo from the beds ahead of you in line Those pleas will fall largely on deaf ears Your hospital is underfunded and understaffed Welcome to the current reality of Medicare in the 21st century Using searing analogies and first hand accounts Dr Whatley makes the argument that the current Medicare system is unsustainable and unless critical choices and changes are made soon the publicly funded single payer system in Canada will implode Successive governments regardless of political stripe know all too well that Canada s system of health care is one of the defining characteristics of being a Canadian and any changes deemed harmful will have them thrown out of power Thus decades of cuts around the margins centralized control federal provincial infighting and government oversight has left doctors and hospitals with little input on how your health dollars are allocated and spent Citizens are being left to languish in pain for months sometimes years because the current cost and delivery system is programmed for the benefit of governments staying in power That was not what was intended Medicare should be about delivering high quality and timely healthcare value for Canadians This is not an easy fix Treatment starts with a serious look at the disease and Dr Whatley pulls no punches But what sounds like a radical new approach is neither new nor radical He is not arguing for the end of Medicare per se but is making the case to let medical professionals those providing the services become equal partners in its design implementation and delivery The Oxford Encyclopedia of American Cultural and Intellectual History ,2013 Over 600 A Z articles on a wide range of topics in American cultural and intellectual History Explores American cultural and intellectual history from the colonial period to the present day Annotated bibliographies to highlight the major works in the field Expands and updates The Oxford Companion to United States History **The Saturday Review of Politics, Literature, Science and Art** ,1883 Saturday Review ,1953-10 **The New York Times Magazine** ,2009 **The New York Times Index** ,2005 *New Guard* ,1970 **The Times Index** ,2002 Indexes the Times and its supplements **American Opinion** ,1979 **Focus Midwest** ,1964 The New York Times Great Stories of the Century New York Times,1999 Departing from the annual Page One book of The New York Times front pages Great Stories of the Century completely covers the top world changing events of 1900 through 1999 presenting the full story which incorporates the newspaper s headline news other related articles and period advertisements that reflect the pulse of American life through one hundred years of change From
