Autism, Neurodiversity, and Equity in Professional Preparation Programs Jamanis, Shanna, Vogler-Elias, Dawn, 2023-12-18 In today's world the prevalence of autism affecting approximately 1 in 100 children underscores the scarcity of proficient professionals capable of aiding those with autism and other neurodiverse conditions. The absence of cohesive and interdisciplinary training programs exacerbates the hurdles faced by these individuals, impeding their access to high quality care and assistance. Consequently the needs of neurodiverse individuals remain insufficiently met and those with autism confront impediments to realizing their full potential due to a deficiency in specialized expertise and comprehensive support. To counteract this issue *Autism Neurodiversity and Equity in Professional Preparation Programs* edited by Shanna Jamanis and Dawn Vogler Elias offer a transformative remedy. This publication offers a comprehensive and multifaceted examination of professional preparation initiatives centered on neurodiversity, integrating perspectives from disability studies, neurodiversity, diversity, equity, and inclusion to furnish a conceptual structure that empowers professionals across diverse fields. The book's interdisciplinary approach aims to equip professionals and students across domains such as education, speech language pathology, occupational therapy, nursing, social work, and creative arts therapy. With its array of chapters encompassing case studies, instructional activities, and program narratives, readers acquire valuable insights and pragmatic tools for effectively supporting neurodiversity. The editors' commitment to embracing diverse viewpoints ensures a nuanced comprehension of neurodiversity support, fostering empathy and elevating the standard of care. *Autism Neurodiversity and Equity in Professional Preparation Programs* by Shanna Jamanis and Dawn Vogler Elias provides a much needed resource to tackle the global challenge of aiding those with autism and neurodiversity. By advancing interdisciplinary knowledge and evidence based practices, this publication not only tackles the dearth of proficient professionals but also champions a more inclusive and compassionate world. For academics, scholars, and practitioners spanning various disciplines, this book serves as a crucial steppingstone toward establishing more equitable and empowering environments for individuals with autism and neurodiversity.
