Trade Of The Tricks The Tricks Brand:

Trade of the Tricks: the Tricks' Brand David Noe,2015-05-30 It s a world without superheroes just like ours except for one thing There USED to be superheroes Then one day almost exactly fifty years ago it all disappeared All the bad guys and all the good guys had a war and then they vanished taking their powers and the very ability to HAVE powers with them There are mysterious heroes and villains now but they don t have superpowers What they do have are helpers Tricks people who give them an edge or maybe just a sandwich Among these heroes and villains are former minor super heroes who didn t vanish but lost their abilities Brand s grandfather is one of these a sidekick who lost everything in the war Brand has grown up with this legacy raised by his grandfather when his parents were killed Brand is a Trick he helps the heroes But things are about to change Prophecy says the powers will return on the fiftieth anniversary of the war The world will once again allow magic but will be destroyed because of it Brand is seeing things that shouldn t be happening ghostly figures strange dreams powers superpowers coming back allies becoming enemies the social structure unwinding evil forces hunting him down blaming HIM They claim it s all Brand s fault and Brand is starting to believe they may be right Oh and scariest of all Brand goes on his first date

Council,1890 **Transforming Our Image, Building Our Brand** Valerie J. Gross,2012-11-08 This book describes a groundbreaking concept that enables public libraries and librarians to become indispensable by following a Three Pillars educational approach and by replacing traditional terms with powerful intuitive value enhanced terminology that everyone understands While there is no question that what librarians and library professionals do is critically important the ways in which these roles and responsibilities are described can mean the difference between being valued as essential to the community or considered optional Something as simple as a choice of words can determine what is valued and consequently what gets funded and what gets canceled Transforming Our Image Building Our Brand The Education Advantage examines how the Three Pillars approach harnesses the power of language to enhance respect generate increased perceived value and garner funding The power stems from positioning all that library professionals do under three easy to remember pillars and replacing typical library terms and phrases with bold value enhanced terminology that commands value language that people outside of the field can immediately understand This book is essential reading for public library staff members at all levels of the organization especially those in leadership roles and its root concepts are applicable for all other library types as well
