Citizens of Hope Leader Guide Clayton Oliphint, Mary Brooke Casad, 2016-02-02 Hope is central to our identity as Christians Just as our bodies need food our souls need hope and the supreme hope is found in a relationship with Jesus Christ How does that relationship become real to us In this book and 4 week study readers are guided on a formative

path of understanding who God is and who they are as God's children This Leader Guide includes everything a group leader needs to plan and facilitate the four sessions helping participants to explore what they have read and to discuss the reading with the group The guide walks leaders through the study format and provides options for tailoring sessions to the time frame and style of each group Citizens of Hope is part of The Basics Series [A Short Guide to Church](#) Dean Inserra,2024-06-04 A common claim in modern American Christianity is that you don't have to go to church to be a Christian The writers of the New Testament however would find a Christian faith separate from the church to be unrecognizable Dean Inserra has often said to his congregation There is more to being a Christian than going to church but there certainly isn't less Belonging to a local church is not something made up by a Christian subculture The local church was God's design It is his grand idea to display his glory and provide the avenue for his people to flourish as his missionaries to the world When one begins to see the church as God's plan the mindset shifts from going to church in order to claim Christianity to seeing oneself as a participant in what God has given his people as a gift There is a purpose design and reason for why the church functions in the manner she does Consistent practices that may seem as merely tradition upon first glance are prescribed by God for his people to practice together until Christ returns The local church congregated together is the Lord's primary plan for discipleship fellowship and mission for the Christian life A Short Guide to Church is not a technical treatment of ecclesiology but rather a book to put in the hands of every prospective and current church member to help the body of Christ expressed locally to see the purposes and plan of the local church for their life of faith and why it truly is the best thing going *The Complete Idiot's Guide to the Popes and the Papacy* Brandon Toropov,2001-11-01 The Complete Idiot's Guide to the Popes and the Papacy offers a comprehensive look at the history trials and triumphs of the Bishops of Rome This book offers an easy to understand historical survey of the papacy which is among the oldest institutions on earth and may well be the oldest continuous position of leadership in existence It's all here remarkable stories of popes who held immense power within the Church and popes who served as figureheads popes who ruled as supreme authorities in their own right and popes who offered an inspired model of resistance to secular tyrannies popes who lost sight of the dictates of their own faith and popes who set sublime moral and devotional examples to the world The book offers history trivia and trends new and old as well as a look at the future of the office This is an entertaining and enlightening look at one of the world's most remarkable jobs one that has guided Catholicism for two millennia and wields an influence today [The Guide to Nature](#) ,1920 **Michigan Christian Advocate** ,1921 *The Literary Guide and Rationalist Review* ,1914 *The Standard* ,1902 [The Living Church](#) ,1921 **American Messenger** ,1922 **Salt Lake City - Insiders' Guide** Kate Duffy,2001-10 Written by local authors with many years of experience in writing about their community the Insiders Guide RM series provide newcomers visitors and business travelers with a native's perspective of the area Each guide details hotels restaurants annual events attractions nightlife parks and recreation real estate and much more Covering more than 60 cities and areas nationwide the
