Feedback Helping Writers Survive and Thrive What did you like best about this book This book is filled with extraordinary characters and diverse plotting I eagerly read through it while wondering what next the book held in store for me I believe its strength aside from the excellent writing skills lies in the way you captured the essence of our lives I identified with so many of the chapters saying to myself yes that s the way it is that s what happened that s how I felt I particularly liked Scenes with a View that captures the young daughter moving into her first place and the parents discomfort with it I remember how vulnerable I felt at that time How hard I tried to make my place perfect or at least good enough to gain my parents approval How can the author improve this book It would be difficult to say how you could improve this book I thought the writing was superb characterization the same and the stories tugged at my heart I cried at the end Tears fill my eyes even as I write these words Congratulations on a lovely book If you are not a winner this year it is because there are so many excellent entries Writer s Digest Judge s commentary *Party Like It's 2044* Joni B.
