Healing Prayer David Chotka, Maxie Dunnam, 2023-11-21 What if you never expected miraculous healing was possible but were surprised when it actually happened or by the way in which it happened And what if you found out that all along the Bible had principles for healing prayer that we could apply to our lives for restoring body mind and spirit Join authors David Chotka and Maxie Dunnam in their unexpected journeys of discovery that healing prayer is God's idea not a human concept and that He invites us to intercede for healing in our own lives and on behalf of others Prayer including healing prayer is one of the greatest activities in which Christians can participate with God to fulfill His purposes God wants us to pray as an integral part of our relationship with Him and as a vital aspect of our life of faith This intriguing book covers such topics as Healing prayer what does the Bible say Medicine miracle and mystery how they interrelate Why and how we pray for healing The role of compassion in healing Christ's forgiving and healing presence within us How to prepare yourself for prayer Eight ways healing prayer is misunderstood Healing Prayer includes accounts of God's power to heal today and it provides guidance for how to organize a prayer team in your small group church or denomination Above all this book shows that it is God who initiates healing prayer Our part is to respond to His instructions and leading as we pray All He asks is our openness to Him Read this book and you too may be surprised by the power of Healing Prayer
