concerns and quotidian subject matter that are the heart and soul of most immigrant correspondence they also reveal his deep attachment to a wider world that he has never seen They include extensive discussions on the political events of his day the Cold War the Korean War the atomic bomb the conflict between Truman and MacArthur ruminations on culture and religion the role of Catholicism in the modern world the dangers of Protestantism to Mexican immigrants to the United States and extensive deliberations on the philosophical questions that would naturally preoccupy the mind of an elderly and sick man Is life worth living What is death Will I be rewarded or punished in death What does it mean to live a moral life The thoughtfulness of Moreno s meditations and quantity of letters he penned provide historians with the rare privilege of reading a part of the Mexican national narrative that as Mexican author Elena Poniatowska notes is usually written daily and daily erased
