CREATIO EX NIHILO AND ITS NEW RIVALS

edited by **thomas jay oord**

Theologies Of Creation Creatio Ex Nihilo And Its New Rivals

Joseph C. Schmid, Daniel J. Linford

Theologies Of Creation Creatio Ex Nihilo And Its New Rivals:

Theologies of Creation Thomas Jay Oord, 2014-10-02 Humans have long wondered about the origin of the universe And such questions are especially alive today as physicists offer metaphysical theories to account for the emergence of creation Theists have attributed the universe s origin to divine activity and many have said God created something from absolute nothingness The venerable doctrine of creatio ex nihilo especially emphasizes God s initial creating activity Some contributors to this book explore new reasons creatio ex nihilo should continue to be embraced today But other contributors question the viability of creation from nothing and offer alternative initial creation options in its place These new alternatives explore a variety of options in light of recent scientific work new biblical scholarship and both new and old theological traditions

Theologies of Creation Thomas Jay Oord, 2014-10-02 Humans have long wondered about the origin of the universe And such questions are especially alive today as physicists offer metaphysical theories to account for the emergence of creation Theists have attributed the universe s origin to divine activity and many have said God created something from absolute nothingness The venerable doctrine of creatio ex nihilo especially emphasizes God s initial creating activity Some contributors to this book explore new reasons creatio ex nihilo should continue to be embraced today But other contributors question the viability of creation from nothing and offer alternative initial creation options in its place These new alternatives explore a variety of options in light of recent scientific work new biblical scholarship and both new and old theological traditions

T&T Clark Handbook of the Doctrine of Creation , 2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation

The Uncontrolling Love of God Thomas Jay Oord, 2015-11-09 Rarely does a new theological position emerge to account well for life in the world including not only goodness and beauty but also tragedy and randomness Drawing from Scripture science philosophy and various theological traditions Thomas Jay Oord offers a novel theology of providence essential kenosis that emphasizes God s inherently noncoercive love in relation to creation

Debating Transcendence Bin Song, 2025-11-04 A bold and rigorous reexamination of transcendence uniting religion theology philosophy and science while bridging Confucian and Christian thought to explore the origins of the world and human destiny Debating Transcendence is a groundbreaking contribution to the ongoing dialogue between Confucian and Christian thought by addressing the transcendence debate a key controversy that has shaped centuries of cross cultural intellectual exchange Song examines whether the Confucian concept of Tian Heaven or Taiji Ultimate Limit possesses a transcendent dimension comparable to Christian understandings of the Creator God This study revisits the historical and philosophical roots of the debate tracing its evolution from early interactions

between Confucianism and Christianity during the sixteenth century to present day discussions At the heart of this book is Song s aim to construct a Confucian definition of theology and a Confucian approach to comparative theology Grounded in a scientifically rigorous methodology that transcends the conceptual boundaries of philosophy religion and theology this new approach balances rootedness and impartiality minimizing biases and revealing shared ground Covering essential thinkers from the West and the East such as Plato Augustine Descartes and Paul Tillich alongside Confucius Laozi Wang Bi and Zhu Xi Song explores the historical development of key concepts such as creatio ex nihilo creation out of nothing and sheng birth birth challenging misconceptions and highlighting underexplored commonalities and differences Drawing from his diverse scholarly background and extensive engagement with both traditions Song distinguishes Confucian from Daoist metaphysics and demonstrates that Confucian metaphysics centered around the concept of generatio ex nihilo offers a compelling framework for understanding transcendence that not only resembles but in certain aspects surpasses major streams of its Christian counterpart Readers seeking to understand the profound spiritual foundations underpinning interactions between China and the West will find Song s work essential Combining rigor scope and depth Debating Transcendence paves the way for refreshed interactions between Confucian and Christian thought offering insights vital to contemporary scholarship and interreligious exchange

Catholic and Mormon Stephen H. Webb, Alonzo L. Gaskill, 2015-07-31 In this unique and spirited dialogue two theologians one a convert to Mormonism and the other a convert to Catholicism address some of the most significant issues that impact Christian identity including such central doctrines as authority grace Jesus Mary and revelation demonstrating that these traditions are much closer to each other than many assume [The Case Against Theism](#) Raphael Lataster, 2018-06-14 This monograph offers a critique of arguments for the existence of a specifically Christian God advanced by prominent scholar William Lane Craig The discussion incorporates philosophical mathematical scientific historical and sociological approaches The author does not seek to criticize religion in general or Christianity specifically Rather he examines the modern and relatively sophisticated evidential case for Christian theism Scholars have been arguing for theism or naturalism for centuries and there seems little to add to the discussion especially from the theistic side However to assume that either theism or naturalism obtains is a false dichotomy There are alternatives to both that merit consideration Employing a probabilistic approach the author advances this discussion His work uniquely utilizes not only naturalistic hypotheses to argue against theism It also presents supernaturalistic hypotheses This leaves no question that theism is almost certainly false even if some form of divine reality exists This project seeks not to argue that Christianity or any other faith or religion is undesirable but only to critically examine evidentialist claims posited by Christianity s learned apologists In fact a major secondary aim is to consider alternative god conceptions such as polytheism and pantheism This work aims to highlight that Christian theism is often granted special privileges by theistic philosophers of religion which seems doubly inappropriate when certain alternative god conceptions may even prove to be more plausible **Herbert**

Mccabe Franco Manni,2020-05-25 Herbert McCabe struck those who met him Alasdair MacIntyre Anthony Kenny Terry Eagleton Denys Turner or those who read his writings David Burrell Stanley Hauerwas for his high intelligence He was the most intelligent philosopher after the death of Karl Popper His philosophical inquiries on God and the Human Being have yet to be properly understood not because they were abstruse clarity was McCabe s inexorable sword but because of their dizzying depth for which many are not yet prepared This is the first comprehensive study of McCabe a person who preferred speaking to writing and left only the short fragmented and dispersed texts of his lectures and sermons But in this book to use David Burrell s words Manni has managed to get inside McCabe s mind and assemble together for the first time the disiecta membra of a powerful system of thought

Creation: A Guide for the Perplexed Simon Oliver,2017-06-29 This addition to our popular Guides for the Perplexed series tackles a subject that is enjoying renewed debate Christianity along with Judaism and Islam claims that the universe is not a brute fact It is created But what do we mean by creation Do we mean that the universe is designed Is it the product of an evolutionary process How are creatures related to God and does God act within creation Simon Oliver begins with the background to the Christian theology of creation in Greek philosophy and the Old Testament This provides a route into understanding the claim that we are part of a created order that is also the theatre of God s providential action He examines different understandings of creation including creation out of nothing and the analogy of being with close reference to the work of patristic and medieval theologians such as Augustine and Thomas Aquinas This leads to an historical overview of the relationship between theological philosophical and scientific approaches to creation in the modern period Some of the ethical issues concerning humanity s place within and treatment of creation and our environment are also examined A distinctive yet traditional theology of creation is proposed focused on the concepts of gift and participation as ways of understanding more fully the meaning and implications of the claim that the universe is created

The New Cambridge Companion to Christian Doctrine Michael Allen,2022-11-17 What is Christian Doctrine This Companion guides students and scholars through the key issues in the contemporary practice of Christian theology Including twenty one essays specially commissioned from an international team of leading theologians the volume outlines the central features of Christian doctrinal claims and examines leading methods and theological movements The first part of the book explores the ten most important topics in Christian doctrine offering a nuanced historical analysis as well as charting pathways for further development In the second part essays address the most significant movements that are reshaping approaches to multiple topics across disciplinary as well as denominational and ecclesiastical borders Incorporating cutting edge biblical and historical scholarship in theological argument this Companion serves as an accessible and engaging introduction to the main themes of Christian doctrine It will also guide theologians through a growing literature that is increasingly diverse and pluriform

Pantheologies Mary-Jane Rubenstein,2018-11-06 Pantheism is the idea that God and the world are identical that the creator sustainer destroyer and transformer of all things is the universe itself From a

monotheistic perspective this notion is irremediably heretical since it suggests divinity might be material mutable and multiple Since the excommunication of Baruch Spinoza Western thought has therefore demonized what it calls pantheism accusing it of incoherence absurdity and with striking regularity monstrosity In this book Mary Jane Rubenstein investigates this perennial repugnance through a conceptual genealogy of pantheisms What makes pantheism monstrous at once repellent and seductive is that it scrambles the raced and gendered distinctions that Western philosophy and theology insist on drawing between activity and passivity spirit and matter animacy and inanimacy and creator and created By rejecting the fundamental difference between God and world pantheism threatens all the other oppositions that stem from it light versus darkness male versus female and humans versus every other organism If the panic over pantheism has to do with a fear of crossed boundaries and demolished hierarchies then the question becomes what a present day pantheism might disrupt and what it might reconfigure Cobbling together heterogeneous sources medieval heresies their pre and anti Socratic forebears general relativity quantum mechanics nonlinear biologies multiverse and indigenous cosmologies ecofeminism animal and vegetal studies and new and old materialisms Rubenstein assembles possible pluralist pantheisms By mobilizing this monstrous mixture of unintentional God worlds Pantheologies gives an old heresy the chance to renew our thinking

God, Existence, and Fictional Objects John-Mark L. Miravalle, 2018-10-18 God and fictional objects are central topics within philosophy but rarely do the respective discussions overlap Until now the two fields have remained independent Applying the debate about fictional objects to issues of theology for the first time John Mark L Miravalle bridges these two fields and presents a new approach to notions of God creatures and existence Miravalle explains why meinongianism which holds that certain things can serve as intentional objects with properties even though they do not exist can facilitate talk of nonexistence better than other metaphysical viewpoints such as platonism modal realism and pretense theory He identifies points of connection between theology and nonexistents and uses meinongianism to buttress the cosmological and ontological arguments for God's existence As a result he is able to explore fresh solutions to problems of classical theism from the necessary existence of God and creation ex nihilo to free will and the problem of evil By revealing how a particular account of fictional objects is especially harmonious with and supportive of the major claims of traditional theism Miravalle makes a major contribution to theistic metaphysics

Conversations on Canaanite and Biblical Themes Rebecca S. Watson, Adrian H. W. Curtis, 2022-08-01 Arguments over the relationship between Canaanite and Israelite religion often derive from fundamental differences in presupposition methodology and definition yet debate typically focuses in on details and encourages polarization between opposing views inhibiting progress This volume seeks to initiate a cultural change in scholarly practice by setting up dialogues between pairs of experts in the field who hold contrasting views Each pair discusses a clearly defined issue through the lens of a particular biblical passage responding to each other's arguments and offering their reflections on the process Topics range from the apparent application of chaos and divine warrior symbolism to

Yahweh in Habakkuk 3 the evidence for monotheism in pre Exilic Judah in 2 Kings 22 23 and the possible presence of chaos or creatio ex nihilo in Genesis 1 and Psalm 74 This approach encourages the recognition of points of agreement as well as differences and exposes some of the underlying issues that inhibit consensus In doing so it consolidates much that has been achieved in the past offers fresh ideas and perspective and through intense debate subjects new ideas to thorough critique and suggests avenues for further research

Philosophy, Science and Religion for Everyone Duncan Pritchard, Mark Harris, 2017-07-20 Philosophy Science and Religion for Everyone brings together these great truth seeking disciplines and seeks to understand the ways in which they challenge and inform each other Key topics and their areas of focus include Foundational Issues why should anyone care about the science and religion debate How do scientific claims relate to the truth Is evolution compatible with design Faith and Rationality can faith ever be rational Are theism and atheism totally opposed Is God hidden or does God simply not exist Faith and Science what provides a better explanation for the origin of the universe science or religion Faith and physics can they be reconciled Does contemporary neuroscience debunk religious belief Creationism and evolutionary biology what constitutes science and what constitutes pseudo science Practical Implications is fundamentalism just a problem for religious people What are the ethical implications of the science and religion debate Do logic and religion mix This book is designed to be used in conjunction with the free Philosophy Science and Religion MOOC massive open online course created by the University of Edinburgh and hosted by the Coursera platform www.coursera.org This book is also highly recommended for anyone looking for a concise overview of this fascinating discipline

From Divine Timemaker to Divine Watchmaker R.T. Mullins, 2024-10-24 This book offers the most extensive exploration of divine temporality to date It focuses on five main questions First what is time Second how is God responsible for the existence of time Third what does it mean to say that God is temporal Fourth what kind of structure might God give to a time series Fifth what are the implications for theological doctrines such as the Trinity creation providence and life after death The author offers a deep critical engagement with the Christian tradition but also goes beyond to build analytic bridges to Jewish Islamic Hindu and Jainist philosophical theology The book provides an up to date discussion of issues within analytic metaphysics philosophy of time and philosophy of religion and draws on the resources of contemporary systematic historical and biblical theology

God and the Problem of Evil Chad Meister, James K. Dew Jr., 2017-05-16 The problem of evil has produced many responses and elicited vigorous debate In this multiview book five philosophical theologians discuss and defend different solutions to this ancient problem Phillip Cary on the classic view William Lane Craig on Molinism William Hasker on open theism Thomas J Oord on essential kenosis and Stephen Wykstra on skeptical theism

A Classical Response to Relational Theism Brian J. Orr, 2022-02-17 The classical doctrine of God expresses that the God of the Bible is triune a se simple immutable impassible eternal and the sovereign Lord over his creation which he created from himself Modern streams of theology within the evangelical circle continue to promote a doctrine of God that sharply

contrasts the classical view the traditional view of God in Christian theism Therefore a critical response to such a theology is needed This study is a comprehensive analysis and sustained critique of Thomas Jay Oord s open relational doctrine of God Oord s model substitutes process metaphysics for classical metaphysics while attempting to retain foundational Christian doctrines that were established within a classical metaphysical framework **Existential Inertia and Classical Theistic**

Proofs Joseph C. Schmid, Daniel J. Linford, 2022-11-29 This book critically assesses arguments for the existence of the God of classical theism develops an innovative account of objects persistence and defends new arguments against classical theism The authors engage the following classical theistic proofs Aquinas s First Way Aquinas s De Ente argument and Feser s Aristotelian Neo Platonic Augustinian Thomistic and Rationalist proofs The authors also provide the first systematic treatment of the existential inertia thesis By connecting the thesis to relativity theory and recent developments in the philosophy of physics and by developing a variety of novel existential inertia friendly explanations of persistence they mount a formidable new case against classical theistic proofs Finally they defend new arguments against classical theism based on abstract objects and changing divine knowledge The text appeals to students researchers and others interested in classical theistic proofs the existence and nature of God and the ultimate explanations of persistence change and contingency **T&T**

Clark Handbook of Analytic Theology James M. Arcadi, James T. Turner, 2021-01-28 This handbook provides theological and philosophical resources that demonstrate analytic theology s unique contribution to the task of theology Analytic theology is a recent movement at the nexus of theology biblical studies and philosophy that marshals resources from the analytic philosophical tradition for constructive theological work Paying attention to the Christian tradition the development of doctrine and solid biblical studies analytic theology prizes clarity brevity and logical rigour in its exposition of Christian teaching Each contribution in this volume offers an overview of specific doctrinal and dogmatic issues within the Christian tradition and provides a constructive conceptual model for making sense of the doctrine Additionally an extensive bibliography serves as a valuable resource for researchers wishing to address issues in theology from an analytic perspective

Pluriform Love Thomas Jay Oord, 2022-02-25 A masterpiece from the preeminent theologian of love A strong case can be made that love is the core of Christian faith And yet Christians often fail to give love center stage in biblical studies and theology And most fail to explain what they mean by love Why is this Thomas Jay Oord explores this question and offers ground breaking answers Oord addresses leading Christian thinkers today and of yesteryear He explains biblical forms of love such as agape philia hesed and ahavah We should understand love s meaning as uniform he says but its expressions are pluriform Widely regarded as the world s foremost theologian of love Thomas Jay Oord tackles our biggest puzzles about the nature and meaning of love divine and creaturely His proposals are novel They align with love described in scripture and expressed in everyday experience Oord also provides radical and yet persuasive answers to questions about evil hell the Big Bang divine violence divine abandonment and more Pluriform Love changes the landscape of Christian love studies What

they're saying Thomas Jay Oord is the first to systematically clarify a variety of types of love and show that all are characteristic of God. This is an original contribution to theology. Though a complex task, Oord writes in an accessible and attractive way. John B. Cobb Jr., Cobb Institute, Author of *Salvation: Jesus's Mission and Ours*. Christian theology in the years to come will need a facelift, a true restoration of the biblical witness to the centrality of God's love. If we wish to help make the faith truly relatable to our world today, Oord's clear, compassionate, and compelling voice is one we will be thankful for. Peter Enns, Eastern University and Co-host of *The Bible for Normal People*. Thomas Jay Oord adds to his proposals on open and relational theology, developing a theology of love which is both uniform in meaning and pluriform according to situation and recipients. The volume is indispensable for those researching the nature of love. Paul Fiddes, University of Oxford. The glowing, multiform forcefield of love embraces every sentence of *Pluriform Love*. Free of sentimentality and pretense, refusing to pit eros and agape against each other, it unfolds a full-scale theology. This amorous vision will attract a wide readership. Catherine Keller, Drew University, Author of *Facing Apocalypse*. Thomas Oord is a global leader exploring the primacy of love within Christian thought and practice. In this book, he presents a theology of love in a loving way. When he grapples with the Scriptures, he shows an attitude of fairness. His writing style combines scholarly depth with accessible simplicity. In the end, Oord makes a radical claim: much of traditional Christian theology cannot take love as seriously as it must. Love must revolutionize Christian theology, and Oord explains how. Brian D. McLaren, Author of *Do I Stay Christian?* This is a rigorous, provocative, creative, and very readable account of the meaning of love, especially divine love. It's a very important contribution to theological thought on this central topic. Keith Ward, University of Oxford.

Right here, we have countless ebook **Theologies Of Creation Creatio Ex Nihilo And Its New Rivals** and collections to check out. We additionally manage to pay for variant types and after that type of the books to browse. The tolerable book, fiction, history, novel, scientific research, as competently as various other sorts of books are readily handy here.

As this Theologies Of Creation Creatio Ex Nihilo And Its New Rivals, it ends occurring mammal one of the favored book Theologies Of Creation Creatio Ex Nihilo And Its New Rivals collections that we have. This is why you remain in the best website to look the amazing ebook to have.

Theologies Of Creation Creatio Ex Nihilo And Its New Rivals Introduction

In today's digital age, the availability of Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Theologies Of Creation Creatio Ex Nihilo And Its New Rivals versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books and manuals for download and embark on your journey of knowledge?

FAQs About Theologies Of Creation Creatio Ex Nihilo And Its New Rivals Books

1. Where can I buy Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Theologies Of Creation Creatio Ex Nihilo And Its New Rivals book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

- Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Theologies Of Creation Creatio Ex Nihilo And Its New Rivals audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Theologies Of Creation Creatio Ex Nihilo And Its New Rivals books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
