American Correctional Association

Thinking As You Play Teaching Piano In Individual And Group Lessons:

Thinking as You Play Sylvia Curry Coats, 2006 Thinking as You Play focuses on how to teach not what to teach Sylvia Coats gives piano teachers tools to help students develop creativity and critical thinking and guidelines for organizing the music taught into a comprehensive curriculum She suggests effective strategies for questioning and listening to students to help them think independently and improve their practice and performance She also discusses practical means to develop an awareness of learning modalities and personality types A unique top down approach assists with presentations of musical concepts and principles rather than a bottom up approach of identifying facts before the reasons are known Thinking as You Play is one of the few available resources for the teacher of group piano lessons Ranging from children s small groups to larger university piano classes Coats discusses auditioning and grouping students strategies for maximizing student productivity and suggestions for involving each student in the learning process Teaching Piano Pedagogy Courtney Crappell, 2019 Providing essential tools to transform college piano students into professional piano teachers Courtney Crappell s Teaching Piano Pedagogy helps teachers develop pedagogy course curricula design and facilitate practicum teaching experiences and guide research projects in piano pedagogy The book grounds the reader in the history of the domain investigates course materials and explores unique methods to introduce students to course concepts and help them put those concepts into practice To facilitate easy integration into the curriculum Crappell provides example classroom exercises and assignments throughout the text which are designed to help students understand and practice the related topics and skills Teaching Piano Pedagogy is not simply a book about teaching piano it is a book about how piano students learn to teach *A Framework for Teaching Music Online* Carol Johnson, 2022-07-14 A Framework for Teaching Music Online defines the current online learning landscape of music in higher education and then presents a cyclical teaching framework that describes how to practically develop an online music course Each part of the framework takes the reader through the three main components of developing an online music course communication design and assessment Research informed and practical ideas and tools for faculty and students to implement into their current or future online teaching practice are explored Johnson also considers future innovations exploring knowledge sharing and professional learning networks **The American Music Teacher** , 2007 *The Musician* , 1901 *Learning a Musical Instrument* Richard Crozier, 2016-08-31 This book is a useful guide for adult learners who are thinking of taking up a musical instrument for the first time or who want to pick up from where they left off as children The author helps the reader to answer such questions as which instrument they should choose the level of difficulty involved in learning and the likely costs The book discusses the various benefits of taking up music for fun and general well being The author provides practical information about the most commonly taught instruments as well as some of the more unusual ones and includes useful contact information to help readers to take their interest further This book will help all aspiring musicians to make a truly informed choice *American*
