The Boy from Nowhere

Richard Jr. Robison,2023-09-30 Richard just wanted to be from somewhere For young Richard every year it s the same story as soon as he settles into his surroundings with its friendships school sports teams and all those customs that make a place home he is forced to move As a boy who is wiser beyond his years he sees his parents strain to follow the upwardly mobile quest of the American Dream but at what cost This memoir reveals what it was like to be a teenager in 1960s America It is a book about disconnection and loss but also of hope and change the person we once were does not dictate the person we will become This recognition is what ultimately holds our destiny Offered with modesty and narrative grace charged with heart stopping events and characters Stefanie Marlis

Skillfully and empathically written Sara Ries Dziekonski Richard Robison s memoir shows us the tender and brutal in a sensitive recollection Peter Money
