The Journey Home Leigh La Mura, 2012-05-25 Since I was a child Ive been communicating with the angelic realm Theyve revealed their presence in many ways warning me through dreams of events to come and guiding my footsteps along the way As I grew older I learned that I could tune in to their frequency allowing me to receive their messages more clearly Their presence led me on a journey to self discovery allowing me to recognize and break repetitive and harmful patterns to trust in myself again and to discover my souls purpose as a healer It is a story of inner strength and faith and as I continue on my journey I know that I am not alone and that the angels walk with me *The Journey Home*

The Journey Home Willy Nywening,2013-05 Our childhood is an intricate part of who we become as adults Everyone has difficulty despair and disappointment in their past How we choose to overcome these challenges determines the course of our lives Through it all love has the potential to heal old wounds In a time when children were meant to be seen and not heard young lives were not always honored Jamie and Martha a brother and sister who were tragically orphaned at a young age find themselves shuffled between family and friends Stripped of their voices and choices they endure heartbreaking circumstances that no child should ever experience Even though disappointment seems to be the only constant in their young lives they struggle courageously to find bits and pieces of happiness in a world that is often cruel and spiteful Through it all something pure and innocent within the children refuses to die On their journey they learn one of life s most important and powerful lessons the healing power of love makes life and living possible While love cannot change the past it is the key to redeeming an unwritten future For Martha and Jamie it is love that creates the true refuge that is home
