

THE THREE LITTLE JAVELINAS

Day 1 - Unit 1: Building Connections Through Productive Struggles	
Goal	Use three sets of standards for Mathematical Practices
Objectives	Learn mathematical skills by using existing math learning related to the topic
Common Core Standards	Mathematical Practices 1. Make sense of problems and persevere in solving them. 2. Reason abstractly and quantitatively. 3. Construct viable arguments and critique the reasoning of others. 4. Model with mathematics. 5. Use appropriate tools strategically. 6. Attend to precision. 7. Look for and make use of structure. 8. Look for and express regularity in repeated reasoning.
Lesson Modeling	Using three sets of standards and existing math learning related to the topic, students will use their existing math learning to solve a problem and then use that learning to solve the problem using the existing math learning related to the topic.
Learning Modeling	Model through allowing students to build comprehension through productive struggles
Exit Modeling	What are the questions and/or problems that students will be asked to solve? What are the questions that students will be asked to solve? What are the questions that students will be asked to solve?
Learning/Assessment/Project	Students will be asked to solve a problem and then use that learning to solve the problem using the existing math learning related to the topic. Students will be asked to solve a problem and then use that learning to solve the problem using the existing math learning related to the topic. Students will be asked to solve a problem and then use that learning to solve the problem using the existing math learning related to the topic.
