

How to turn your boyfriend into the perfect sissy

First lock his dick up. A locked cock will force your man into submission. Leaving him horny and aching to please you every second of the day.

Emasculate him one step at a time. Make him wear pink frilly lingerie under all of his clothes. Especially at work so he won't forget his place as your bitch.

Domesticate him. Force him to do all the household chores. Make him a house bitch. Mock him and laugh at him while he does so. Never miss a chance to remind him who he belongs to.

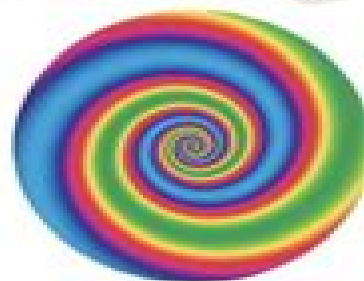

Collar him. Let him feel the metal around his neck. A constant reminder that he's a piece of property.

Good girls have good posture. Lace him up in a corset & add heels. Make him practice diligently until he's mastered being a fem slut. You'll get many laughs watching him stumble around to figure it out. Being a girl is never easy but always worth it.

Stuff his ass. Let the fullness overwhelm him. Keep him horny & on edge. A horny boyfriend is eager one.

Control him.
Condition him.
Confuse him.
Misgender him.
She'll love it. Make her forget she ever had a boy life. Call her 'good girl'
Good girls obey.
She'll be happier this way

Harsh, 1994 Subversive Heroines departs from much recent work on the industrial novel in two important ways it maintains its focus on the novels rather than on the nonfictional condition of England debate and it emphasizes the consistency of the genre s approach to the contemporary crisis of class relations Harsh s examination reveals a covert feminism in Victorian culture and illuminates fundamental gender struggles of the time **Reclaiming History: The Assassination of President John F. Kennedy** Vincent Bugliosi, 2007 Bugliosi brilliant prosecutor and bestselling author is perhaps the only man in America capable of prosecuting Lee Harvey Oswald for the murder of John F Kennedy His book is a narrative compendium of fact ballistic evidence and above all common sense **10 Bodies Lying** Stephanie Bond, 2019-06-11 Liar liar pants on fire Carlotta Wren is dazed and confused everything she thought she knew about her life has been a lie How can she ever trust anyone again And where does she go from here She hopes a business trip out of town will help to clear her head instead it lands her in the middle of a murder as the prime suspect While Carlotta works frantically to prove her innocence she s also forced to confront the lies she s been telling herself If she manages to get out of this mess she ll have to get real about the kind of life she wants and the person she wants to spend it with

Messengers from the West Mountain C. R. Truitt,2007-12-28 A Great Fire War had once scorched the earth leaving it barren for generations and only those who took refuge underground were their childrens children able to live once again upon the surface of the earth For years the West Mountain people lived pleasantly on the surface of the earth outside of the Mother Cave until reports from the other Warrior tribes told of attacks from a people who still use the ancient machines to capture and enslave The Chiefs daughter Paula was delighted when the Council announced she would lead and be sent with three others as messengers to the other Warrior tribes for a call of unity to stand against these invaders She set out with her best friend Sissy a young healer her cousin Mira the best warrior of her tribe and their friend Peggy Together they set out to warn the other tribes but separated to make up for lost time waiting for Paula and Peggy to heal after a battle with mutated men Paula and Sissy catch a ride in the wasteland and unknowingly find themselves in the enemy territory There they find danger and unexpected allies All four of us sat erect pushing our chests out holding our heads high riding through the main street with our people cheering us There is nothing like the adorations of our family and peers How soon we would come to learn the difference of people who would not see us so regarding us as their prey or their enemy to use us whatever way they could Leaving the tribe behind we had no knowledge of that We were sure of our skills and our persons He glared at me his voice deepened commanding You will hand me that chain and then you will strip and put those dirty rags in this basket Now His retaliation was swift He slapped me hard enough to bring me to my knees with my eyes watering and my cheek stinging

The Invaluable Guide to Life After Stroke Arthur Josephs,1992 Of the many books dealing with this topic this one possibly is the best yet it is both practical and hopeful for the victim as well as the caregiver Josephs argues that no two strokes are alike patients cannot accept generalizations that the medical profession knows little if anything about what to do and therefore really doesn't care Furthermore he states that the so called six months period of getting well can extend for years While this reviewer may not agree with the author's approach on certain issues e.g cholesterol support groups the book's avoidance of medical jargon and its positive easy to read tone make it a good choice for all popular medical collections
