

twilight

A close-up photograph of two pale hands, likely belonging to a young person, gently cupping a single, vibrant red apple. The hands are positioned symmetrically, with fingers slightly curled around the sides and bottom of the fruit. The apple is perfectly round and has a small stem at the top. The background is a solid, deep black, which makes the pale skin of the hands and the bright red of the apple stand out prominently. The lighting is soft, highlighting the texture of the skin and the smooth surface of the apple.
