Two Powers In Heaven Early Rabbinic Reports About Christianity And Gnosticism:

Two Powers in Heaven Alan F. Segal, 1977 Segal reconstructs the development of the two powers in heaven heresy through prudent dating of the stages of the rabbinic traditions Segal stresses the importance of perceiving the relevance of rabbinic material for solving traditional problems of New Testament and gnostic scholarship and at the same time maintains the necessity of reading those literatures for dating rabbinic material *Crossing Boundaries in Early Judaism and Christianity* Kimberley Stratton, Andrea Lieber, 2016-10-11 This volume celebrates the scholarship of Alan Segal During his prolific career Alan published ground breaking studies that shifted scholarly conversations about Christianity rabbinic Judaism Hellenism and Gnosticism Like the subjects of his research Alan crossed many boundaries He understood that religions do not operate in academically defined silos but in complex societies populated by complicated human beings Alan's work engaged with a variety of social scientific theories that illuminated ancient sources and enabled him to reveal new angles on familiar material This interdisciplinary approach enabled Alan to propose often controversial theories about Jewish and Christian origins A new generation of scholars has been nurtured on this approach and the fields of early Judaism and Christianity emerge radically redefined as a result *Apocryphal and Esoteric Sources in the Development of Christianity and Judaism*, 2021-06-17 Apocryphal traditions often shared by Jews and Christians have played a significant role in the history of both religions The 26 essays in this volume examine regional and linguistic developments in Ethiopia Egypt Syria Armenia the Balkans and Italy Dissenting groups such as the Samaritans followers of John the Baptist and medieval dualists are also discussed Furthermore the book looks at interactions of Judaism and Christianity with the religions of Iran Seldom verified or authorized and frequently rejected by Churches apocryphal texts had their own process of development undergoing significant transformations The book shows how apocryphal accounts could become a medium of literary and artistic elaboration and mythological creativity Local adaptations of Biblical stories indicate that copyists authors and artists conceived of themselves as living not in a post Biblical era but in direct continuity with Biblical personages Eusebius, Christianity and Judaism Gohei Hata, Harold W. Attridge, 2022-10-04 Eusebius of Caesarea lived at a crucial turning point in the history of the Christian church He was an important witness to the polemical and apologetic attitudes that characterized much early Christian literature The most voluminous writer of the early fourth century he was also the first comprehensive historian of his community seeking a philosophy to explain the whole course of history from the beginning to his own time This volume places Eusebius' work in proper perspective The contributors all recognized specialists in early Christianity shed light on the person and circumstances of Eusebius himself This collection of essays focuses on elements of the story that Eusebius tells the story of the early church its relationship to Judaism or its confrontation with the Roman Empire and explores gaps left by Eusebius The writers offer a cross section of current scholarly methods in the study of early Christianity and Judaism *Nag Hammadi, Gnosticism & Early Christianity* Charles W. Hedrick, Robert Hodgson (Jr.), 1986 Includes

thirteen papers presented at the Working Seminar on Gnosticism and Early Christianity March 30 April 2 1983 held at Springfield Missouri

Word and Glory Craig A. Evans, 1993-11-01 Word and Glory challenges recent claims that Gnosticism especially as expressed in the Nag Hammadi tractate Trimorphic Protennoia is the most natural and illuminating background for understanding the Prologue of the Fourth Gospel Scriptural allusions and interpretive traditions suggest that Jewish wisdom tradition mediated by the synagogue of the diaspora lies behind the Prologue and the Fourth Gospel as a whole not some form of late first century Gnosticism Several features of the Fourth Gospel reflect the synagogue and nascent Christianity's struggle to advance and defend its beliefs about Jesus who as God's son and Agent was understood as the embodiment of the Divine Word All of the ingredients that make up Johannine christology derive from dominical tradition refracted through the lens of Jewish interpretive traditions There is no compelling evidence that this christology derived from or was influenced by gnostic mythology Word and Glory also develops and tests criteria for assessing the relative value of post New Testament sources for the interpretation of New Testament documents

The Light of Discovery John D. Wineland, 2007-01-01 The Light of Discovery is a Festschrift honoring Dr Edwin Yamauchi and it focuses on the Mediterranean world The collection is ambitious in terms of time from ancient Egypt to Late Antiquity and wide ranging in topic from astrology and Gnosticism to the Van Kampen Collection of manuscripts in Orlando

The Other Judaisms of Late Antiquity Alan F. Segal, 1987

Gnosis and Faith in Early Christianity Riemer Roukema, 1999 This text provides an up to date introduction to Gnosticism as it relates to early Christianity The author tries to make the reader familiar with the themes and ingredients of Gnosticism without going directly into where they come from Part 1 provides general orientation Part 2 explores the religious and philosophical background Part 3 contains a more detailed discussion of Gnosticism and Gnostics Part 4 examines the relationship between Catholic Christianity and Gnosticism

The Glory of Israel Bruce Chilton, 1983 This is the first attempt systematically to explain the growth background and ideology of the Targum to Isaiah Its principal stages of development between the first and fourth centuries CE are described in order to understand as precisely as possible its hope for God's messianic vindication of his people Chilton's work demonstrates the paradigmatic significance of the Isaiah Targum within the Prophets Targum as a whole and convincingly places the Targum in its chronological and theological context
