Hospitality Studies Conrad Lashley, 2016-11-10 In recent years there has been a growing interest in the study of hospitality as a social phenomenon This interest has tended to arrive from two communities The first comprises hospitality academics interested in exploring the wider meanings of hospitality as a way of better understanding guest and host relations and its implications for commercial settings The second comprises social scientists using hosts and guests as a metaphor for understanding the relationship between host communities and guests as people from outside the community migrants asylum seekers and illegal immigrants The Routledge Handbook of Hospitality Studies encourages both the study of hospitality as a human phenomenon and the study for hospitality as an industrial activity embracing the service of food drink and accommodation Developed from specifically commissioned original contributions from recognised authors in the field it is the most up to date and definitive resource on the subject The volume is divided into four parts the first looks at ways of seeing hospitality from an array of social science disciplines the second highlights the experiences of hospitality from different guest perspectives the third explores the need to be hospitable through various time periods and social structures and across the globe while the final section deals with the notions of sustainability and hospitality This handbook is interdisciplinary in coverage and is also international in scope through authorship and content The state of the art orientation of the book is achieved through a critical view of current debates and controversies in the field as well as future research issues and trends It is designed to be a benchmark for any future assessment of the field and its development This handbook offers the reader a comprehensive synthesis of this discipline conveying the latest thinking issues and research It will be an invaluable resource for all those with an interest in hospitality encouraging dialogue across disciplinary boundaries and areas of study Chapters Chapter 4 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Division and Imagined Unity in the American Renaissance Shawn Thomson, 2017-11-15 In examining the era's multivalent tropes of seams and seamlessness Thomson provides an innovative understanding of the interplay between division and unity in the thought culture and literature of the American Renaissance New insights are offered on works by major authors such as Nathaniel Hawthorne Frederick Douglass Walt Whitman Herman Melville Emily Dickinson Henry David Thoreau Solomon Northup Harriet Jacobs and Elizabeth Stoddard along with marginal figures Thomson expands the canon by recovering the unknown authors Charles Edward Anthon and John S Sauzade and recognizing their works as vital to the American Renaissance Taking the 1844 display of the Holy Tunic at the Cathedral of Treves as its point of departure Thomson sheds light on the controversy of the seamless garment in the New England press and explores its transmutation in Anthon's Pilgrimage to Treves Hawthorne's The Scarlet Letter Dickinson's poetry and Melville's major novels In excavating seamlessness as a cultural artifact of the American Renaissance Thomson pursues a cultural studies approach to the fabric of antebellum life Thomson reads the seams of material culture to reveal the meaning of the dressing gown and the keepsake in Dickinson's

and Stoddard's lives and letters Thomson positions Sauzade's Dickensian novel *The Spuytenduyvel Chronicle* as one of the first great works of the American metropolis and explores the spiritual material dichotomy of the slave narratives of Douglass Jacobs and Northup This book further reassesses the bitter literary rivalry between Melville and George Washington Peck re conceptualizes Melville the author through his relationship to the divided nation and illuminates his failed idealism as a literary artist in Pierre Thomson's approach to the interrelationship of material culture technology and the modes of literary production creates a new sense of the American Renaissance as a paradoxical seamless whole wherein its seams are exposed for all to see

Adulthood and Other Fictions Sari Edelstein, 2019 This volume explores the idea of age in American literature over the course of the nineteenth century and examines how writers such as Louisa May Alcott Frederick Douglass and Henry James used literature as a space to imagine alternative ideas about aging and to challenge conventional definitions of adulthood

Close Encounters of the Invasive Kind Sarah Seymore, 2013 Before the breakthrough of postcolonial studies British science fiction authors already saw the opportunity to discuss political and ethical issues of imperialism by projecting human history and behavior onto the alien Other In this thesis the case studies of 15 novels of alien encounter science fiction illuminate the treatment of colonial and postcolonial concepts such as colonialism neo colonialism Empire paternalism hybridity mimicry and science and technology as a means of conquest and resistance The analysis also shows that the Empire is still a vital background for British science fiction Thesis Series Anglistik Amerikanistik English American Studies Vol 35
