Alexander: The Ends of the Earth Valerio Massimo Manfredi, 2001 All his life Alexander defied the limits the gods gave mortals That passion overwhelmed cities and armies and united a vast empire Alexander was no longer simply King of Macedonia The Pan Hellenic League had named him Supreme Leader Egypt crowned him Pharaoh And all Persia acknowledged him as Great King He was a true heir to Achilles and Hercules a leader who had guided troops to victory beyond the Nile the Tigris and the Euphrates Now conquering India would place all of Asia in his hands But his army reached the limit of its endurance and the cost of triumph had been high in

blood betrayal and tragedy Alexander lost Barsine his first beloved Bucephalus a steed unequaled Peritas his loyal hound and Hephaestion the closest companion of his youth Still he sought the wisdom and might to transform the empire he had claimed into the one of which he dreamed no longer divided into victors and vanquished but a unified people under his rule For Alexander was destined for timeless glory in the domain of heroes and gods both in his lifetime and in the realm of eternal legend
