War Comics

Jeanne-Marie Viljoen, 2020-06-15 This book focuses on non fictional visual narratives including comics graphic narratives animated documentaries and online interactive documentaries that attempt to represent violent experiences primarily in the Levant In doing so it explores from a philosophical perspective the problem of representing trauma when language seems inadequate to describe our experiences and how the visual narrative form may help us with this The book uses the concept of the ineffable to expand the notion of representation beyond the confines of a western individualist notion of trauma as event based In so doing it engages a postcolonial perspective of trauma which treats violence as ongoing and connected to several incidents of violence across time and space This book demonstrates how the formal qualities of visual non fiction may help close the gap between representation and experience through the process of dark writing
