Schram, 2014-02-06 There are numerous books written about Jewish mysticism kabbalah and the Zohar Book of Radiance The Zohar is written in code through the use of symbolism euphemisms figures of speech ancient phraseology and the Hebrew Bible or Tenakh Tenakh is an acronym formed from the initial Hebrew letters of Masoretic Text s three traditional subdivisions Torah the Five Books of Moses Nevi im Prophets and Ketuvim writings Thanks to the incredible scholarship of Professor Daniel Matt from Berkeley California the codes of the Zohar have become more comprehensible to the inquisitive reader It was because of Professor Matt s translation explanations and notes on the Zohar in his first seven volumes that I was moved to write this book The Zohar is firmly rooted in tradition but thrives on discovery

John s Gospel and the Formula Behind the Myth of Jesus Greg O'Shea, 2016-01-01 John s Gospel and the Formula behind the Myth of Jesus is about a set of ideas that largely dictated the form and content of John s Gospel and profoundly influenced the three Synoptic Gospels Far from the simple narrative it seems to be John s Gospel is a highly complex work geared to the depiction of Jesus as a type of cosmic figure To this end its author draws on astrology the annual cycle of Jewish festivals symbolism taken from the Qabalah and a section of Genesis The book examines clues that Qabalah and Hellenestic astrology were already in existence at the time of writing of Genesis John s Gospel and the Formula behind the Myth of Jesus also looks at evidence that the true nature of John s Gospel has been known for some time

Cumming,2019-12-15 *Torah and Nondualism* is a commentary on the Torah or Pentateuch meaning five books written in the form of five essays one for each book It reconciles modern biblical scholarship with the Jewish hermeneutical techniques

recorded in the Zohar and shows that the meanings these interpretive techniques reveal are so consistent and illuminating throughout the Bible that they must have been intended by its redactors By combining these traditional methods with modern insights the book uncovers hidden themes in the Bible that other commentaries have overlooked Specifically Torah and Nondualism discovers a syncretistic subtext in the Pentateuch aimed at reconciling two religious cultures one rooted in Egyptian esoteric tradition and the other in Canaanite mythology and practice In later times these two religious cultures corresponded roughly to two rival kingdoms Judah and Israel The Torah ingeniously harmonizes this spiritual and political rift When this subtext is fully appreciated it is recognizable in all the Torah's most obscure rituals Even those priestly rites associated with temple worship are understandable The bitter rebellion against Moses and Aaron's leadership is presented in terms of the Torah's effort to harmonize conflict sometimes by demanding great personal sacrifice Illustrated to make the complexities of scribal hermeneutics readily accessible to the nonexpert Torah and Nondualism requires no prior knowledge of Hebrew and introduces the reader to an esoteric level of Bible interpretation previously known only to a small group of trained Hebrew scribes Its intelligent and well supported analysis promises to change the way you think about the Bible

Reflections on the Book of Leviticus Martin Sicker,2013-10-28 The theme that unifies the diverse contents of this biblical work is that of holiness as the text asserts Ye shall be holy for I the Lord your God am holy Lev 19 2 The burden of the work is set forth guidelines as to how the children of Israel were to attain that goal One of the great practical issues dealt with in Leviticus is the problem of connecting with the one and only God through the practice of a form of worship that is superficially similar to but at the same time radically different from the modes of worship practiced by the other peoples of the ancient world which almost universally included sacrificial rites Because it was extremely difficult for one to relate to a deity that could not be depicted graphically sacrificial rites were also prescribed for the children of Israel as a concession to human weakness but were designed in a manner to leave little if any room for human inventiveness which if left unchecked would likely result in idolatrous practices Accordingly the ancient rites were infused with layers of detailed instructions and obscure symbolisms that make the text difficult to comprehend while raising important ethical considerations that are an essential aspect of the biblical concept of holiness This study explores some of the profound ideas that lie buried beneath the surface of this extremely complex biblical text

The Healing Spirit Vincent L. Perri,2019-06-15 The Healing Spirit explores the idea that there is healing in dialogue Using examples from Judaic Christian and Buddhist philosophies and drawing on his personal and professional experiences Dr Perri explains how he believes the healing spirit emerges when two people unconditionally encounter each other Introducing his concepts of the invisible matrix archetypal language and the naked essentials of relation he draws on the works of Martin Buber Carl G Jung and Abraham Joshua Heschel and their germinal contribution to the topic The Healing Spirit can be a valuable guide to anyone in the healing or helping professions or anyone who simply

wishes to help another The Healing Spirit explores many of the personal encounters of people in the depths of sorrow and how meaningful interpersonal dialogue generated the essence of spirit in their lives Dr Perri embraces the idea that spirit emerges both within and between us when spirit is beckoned It is the spirit that heals It is The Healing Spirit The Apocalypse in Reformation Nuremberg Andrew L. Thomas,2022-10-03 Lutheran preacher and theologian Andreas Osiander 1498 1552 played a critical role in spreading the Lutheran Reformation in sixteenth century Nuremberg Besides being the most influential ecclesiastical leader in a prominent German city Osiander was also a well known scholar of Hebrew He composed what is considered to be the first printed treatise written by a Christian defending Jews against blood libel Despite Osiander s importance however he remains surprisingly understudied The Apocalypse in Reformation Nuremberg Jews and Turks in Andreas Osiander s World is the first book in any language to concentrate on his attitudes toward both Jews and Turks and it does so within the dynamic interplay between his apocalyptic thought and lived reality in shaping Lutheran identity Likewise it presents the first published English translation of Osiander s famous treatise on blood libel Osiander s writings on Jews and Turks that shaped Lutherans identity from cradle to grave in Nuremberg also provide a valuable mirror to reflect on the historical antecedents to modern antisemitism and Islamophobia and thus elucidate how the related stereotypes and prejudices are both perpetuated and overcome **Cain V. Abel** Dan Ornstein,2020-04-01 Enter the packed courtroom and take your seat as a juror on the Cain v Abel trial Soon the prosecution and defense attorneys angels from Jewish legend will call Cain Abel Sin Adam Eve and God to the witness stand to present their perspectives on the world s first murder Great Jewish commentators throughout the ages will also offer contradictory testimony on Cain s emotional societal and spiritual influences As jurors when we mete out Cain s punishment must we factor in his family history psychological makeup and the human impulse to sin In this highly eclectic and gripping compilation of insights by Jewish commentators on the Cain and Abel story courtroom scenes are juxtaposed with the author s commentary advancing novel insights and introspection As each of us grapples with Cain s actions we confront our own darkest traits If Cain is a symbol for all humanity what can we do to avoid becoming like him Furthering this conversation Rabbi Dan Ornstein includes a discussion and activity guide to promote open dialogue about human brokenness and healing personal impulses and societal responsibility
