

THEATERS OF MADNESS

**Insane Asylums & Nineteenth-Century
American Culture**

BENJAMIN REISS

Theaters Of Madness Theaters Of Madness

Jeffrey Magee

Theaters Of Madness Theaters Of Madness:

Theaters of Madness Benjamin Reiss, 2008-09-15 In the mid 1800s a utopian movement to rehabilitate the insane resulted in a wave of publicly funded asylums many of which became unexpected centers of cultural activity Housed in magnificent structures with lush grounds patients participated in theatrical programs debating societies literary journals schools and religious services *Theaters of Madness* explores both the culture these rich offerings fomented and the asylum's place in the fabric of nineteenth century life reanimating a time when the treatment of the insane was a central topic in debates over democracy freedom and modernity Benjamin Reiss explores the creative lives of patients and the cultural demands of their doctors Their frequently clashing views turned practically all of American culture from blackface minstrel shows to the works of William Shakespeare into a battlefield in the war on insanity Reiss also shows how asylums touched the lives and shaped the writing of key figures such as Emerson and Poe who viewed the system alternately as the fulfillment of a democratic ideal and as a kind of medical enslavement Without neglecting this troubling contradiction *Theaters of Madness* prompts us to reflect on what our society can learn from a generation that urgently and creatively tried to solve the problem of mental illness

Separate Theaters Kenneth S. Jackson, 2005 This specifically literary historical study situates the rather sudden emergence of madhouses Bedlam on the Shakespearean stage in the sophisticated literary dispute known as the Poets War wherein various dramatists particularly Jonson and Shakespeare argued about what drama was supposed to be Madness became a rhetorical battleground of artistic ideas and that dispute rather than any desire to represent the actual hospital led to the appearance of Bedlam on the stage

The Ritual Theater of Aimé Césaire Marianne Wichmann Bailey, 1992

The Medieval Theater of Cruelty Jody Enders, 2018-08-06 Why did medieval dramatists weave so many scenes of torture into their plays Exploring the cultural connections among rhetoric law drama literary creation and violence Jody Enders addresses an issue that has long troubled students of the Middle Ages Theories of rhetoric and law of the time reveal she points out that the ideology of torture was a widely accepted means for exploiting such essential elements of the stage and stagecraft as dramatic verisimilitude pity fear and catharsis to fabricate truth Analyzing the consequences of torture for the history of aesthetics in general and of drama in particular Enders shows that if the violence embedded in the history of rhetoric is acknowledged we are better able to understand not only the enduring theater of cruelty identified by theorists from Isidore of Seville to Antonin Artaud but also the continuing modern devotion to the spectacle of pain

Coming Back to a Theater Near You Brian Hannan, 2016-06-05 In the Silent Era film reissues were a battle between rival studios every Mary Pickford new release in 1914 was met with a Pickford re release For 50 years after the Silent Era reissues were a battle between the studios who considered old movies found money and cinema owners who often saw audiences reject former box office hits In the mid 1960s the return of *The Bridge on the River Kwai* 1957 the second biggest reissue of all time altered industry perceptions and James Bond double features pushed the revival market to new heights In the digital

age reissues have continued to confound the critics This is the untold hundred year story of how old movies saved new Hollywood Covering the booms and busts of a recycling business that became its own industry the author describes how the likes of Charlie Chaplin Humphrey Bogart and Alfred Hitchcock won over new generations of audiences and explores the lasting appeal of films like Napoleon 1927 Gone with the Wind 1939 The Rocky Horror Show 1975 and Blade Runner 1982

Sound and Sense in Contemporary Theatre Matthew Tomkinson, 2025-01-11 This book is among the first to consider the subject of mad auralities in theatre and performance asking what does it mean to hear and listen madly Drawing widely upon mad studies critical disability studies theatre studies sound studies queer studies and critical race theory it seeks to explore the theatrical relationship between sound and mental health differences by examining a range of case studies in which audience members are immersed in auditory simulations of madness Ultimately however this critical study investigates the shortcomings of simulation as a representational practice in keeping with the critical tradition of disability studies and mad studies

The Sicilian Puppet Theater of Agrippino Manteo (1884-1947) Jo Ann Cavallo, 2023-06-13 Joint winner of The Literary Encyclopedia book prize 2024 category Literatures written in languages other than English Winner of the Nancy Staub Publications Award 2024 Winner of the AATI Book Award 2024 for Literary Critical Theory and Cultural Studies Sicilian puppet theater is a unique nineteenth and twentieth century popular theatrical tradition based on the masterpieces of medieval and Renaissance chivalric literature It flourished not only in southern Italy and Sicily but also in the diasporic Italian urban communities of North and South America and North Africa bringing immigrants together for nightly performances of the same deeply cherished chivalric stories Even though this art form was designated by UNESCO as an intangible cultural heritage of humanity in 2001 it remains largely unknown today because by the late 1950s Sicilian puppet theater companies had ceased to perform the full Paladins of France cycle that used to extend nightly for well over a year Thus the only means we have left to explore the substance of this once widely enjoyed cultural phenomenon are the scripts dating from opera dei pupi s heyday Most of these invaluable documents however have been lost while the few sets still in existence are either privately owned by the remaining puppeteer families and collectors or tucked away in the archives of Italian institutions Thanks to the newly accessible scripts of the preeminent Catanese American puppeteer Agrippino Manteo 1884 1947 whose career stretched from Sicily to Argentina to New York students scholars and the general public can now explore the cycle of chivalric narratives staged during the golden age of Sicilian puppet theater The many delicate hand written notebooks containing Agrippino Manteo s dramatic repertory are not only of interest for their historical and aesthetic value These masterfully executed theatrical adaptations invite readers into a chivalric world featuring knights and damsels from across the globe from Europe to Africa to East Asia who share the stage with a host of wizards fairies giants and monsters in alternating episodes of love enchantment adventure and warfare The concerns with which they engage such as justice identity duty love freedom and virtue transcend the categories of elite and folk local and global medieval and modern

interrogating what it means to be human This book provides the most comprehensive history to date of the Manteo Family's Sicilian Marionette Theater across three generations and brings to light for the first time the contents of Agrippino Manteo's extensive Sicilian puppet theater scripts including translations of 8 selected plays and 270 extant play summaries of the famous Paladins of France cycle Accompanying comparative analyses uncover the creative process of adaptation from Italian Renaissance masterpieces of chivalric poetry to nineteenth century prose compilations to Agrippino's opera dei pupi scripts

The Modern Russian Theater Nicholas Rzhevsky, 2008-10-27 This comprehensive and original survey of Russian theater in the twentieth century and into the twenty first encompasses the major productions of directors such as Meyerhold Stanislavsky Tovostonogov Dodin and Liubimov that drew from Russian and world literature It is based on a close analysis of adaptations of literary works by Pushkin Dostoevsky Gogol Blok Bulgakov Sholokhov Rasputin Abramov and many others The Modern Russian Stage is the result of more than two decades of research as well as the author's professional experience working with the Russian director Yuri Liubimov in Moscow and London The book traces the transformation of literary works into the brilliant stagecraft that characterizes Russian theater It uses the perspective of theater performances to engage all the important movements of modern Russian culture including modernism socialist realism post modernism and the creative renaissance of the first decades since the Soviet regime's collapse

The Portable Theater Alan Louis Ackerman, 2002 In The Portable Theater Alan Ackerman investigates the crucial importance of theater in the works of Walt Whitman Herman Melville William Dean Howells Louisa May Alcott and Henry James Whether as drama critics playwrights amateur actors or simply as avid theatergoers each of these authors thought deeply about the theater and represented it in literature

Mickery Theater Mike Pearson, 2025-10-01 This is the first full length account of the history and working practices of Amsterdam's Mickery Theater Between 1965 and 1991 under its noted director Ritsaert ten Cate Mickery became renowned worldwide for promoting and presenting significant international alternative theatre companies including La Mama Tenjo Sajiki and the Wooster Group and for staging its own innovative productions Combining archival research oral history field observation and drawing on personal accounts of key participants the book illuminates the singular importance of Mickery while evoking the unique atmosphere of both the building and the art that it nurtured

Irving Berlin's American Musical Theater Jeffrey Magee, 2012-04-06 Irving Berlin's songs have been the soundtrack of America for a century but his most profound contribution to the nation is to Broadway Award winning music historian Jeffrey Magee's chronicle of Berlin's theatrical career is the first book to fully consider the songwriter's immeasurable influence on the Great White Way Tracing Berlin's humble beginnings on the lower east side to his rise to American icon Irving Berlin's American Musical Theatre will delight theater aficionados as well as students of music and popular culture and anyone interested in the story of a man whose life and work expressed so well the American dream

Mysticism in the Theater Tom Block, 2022-02-03 Mysticism in the Theater introduces theater makers to the power and possibility of using historical mystical

ideas to influence all aspects of a production Historical mysticism represents ideas developed by recognized spiritual thinkers in all religions and time periods individuals who stilled their ego and perceived the unity of all hidden within the apparent multiplicity of existence This unique manner of spiritual inlay allows theatrical presentations to find the height of artistic expression art at the intersection of our historical moment and the eternal This study introduces theater makers to the history of mystical inspiration within performance work and develops strategies for inserting mystical ideas into their productions The book ties this model into theatre s history as mystical ideas and quotes have been inserted into productions from Greek theatre through Shakespeare and into the present day This book explores how teachings and ideas of specific historical mystical thinkers might influence all aspects of contemporary theatrical productions including writing directing acting stagecraft set design lighting design costume design sound design and choreography Transnational Exchange in Early Modern Theater Eric Nicholson,2016-09-17 Emphasizing a performative and stage centered approach this book considers early modern European theater as an international phenomenon Early modern theater was remarkable both in the ways that it represented material and symbolic exchanges across political linguistic and cultural borders both national and regional but also in the ways that it enacted them Contributors study various modalities of exchange including the material and causal influence of one theater upon another as in the case of actors traveling beyond their own regional boundaries generalized and systemic influence such as the diffused effect of Italian comedy on English drama the transmission of theoretical and ethical ideas about the theater by humanist vehicles the implicit dialogue and exchange generated by actors playing foreign roles and polyglot linguistic resonances that evoke circum Mediterranean cultural geographies In analyzing theater as a medium of dialogic communication the volume emphasizes cultural relationships of exchange and reciprocity more than unilateral encounters of hegemony and domination American Theater in the Culture of the Cold War Bruce A. McConachie,2005-06 1 A theater of containment liberalism 2 Empty boys queer others and consumerism 3 Family circles racial others and suburbanization 4 Fragmented heroes female others and the bomb *Staging and Stage Décor: Early Modern Spanish Theater* Bárbara Mujica,2022-06-05 This is the first book on staging and stage d cor to focus specifically on early modern Spanish theater from the 16th to the early 20th centuries The introduction provides an overview of Spanish theater design from the 16th century with particular attention to the corral theater and Lope de Vega The scope of the book is vast Some of the articles deal with early modern stagings while others deal with contemporary productions The collection contains articles by an international array of specialists on topics such as scenography and costuming lighting and performance space It also broaches little studied areas such as the use of alternative performance spaces most notably prisons The book provides in depth analyses of particular archetypes the melancholiac the queen the astrologer and how they were and are staged The focus on performance and performance space costuming set design lighting and audience seating make this a truly unique volume This book is designed for students of Spanish literature and theater researchers interested

in theater history and early modern Spain as well as theater professionals Jesuit Theater Englished Joseph Simons,1989

Theater of Memory Kālidāsa,1984 This volume offers comprehensive analyses and new translations of Kalidasa's three extant plays Sakuntala and the Ring of Recollection Urvashi Won by Valor and Malavika and Agnimitra **Reading Stephen Sondheim** Sandor Goodhart,2013-10-28 Stephen Sondheim is arguably the most important writer for the American musical stage today the equivalent in his field of Miller Albee O'Neill and Williams Yet he has rarely been treated seriously within the academy Reading Stephen Sondheim A Collection of Critical Essays is an attempt to remedy that situation Bringing together scholars and critics from a wide variety of literary and theoretical perspectives this book undertakes to examine all of Sondheim's major productions and themes Tyranny and Theater in the Ancient World Anne Duncan,2025-05-01 Exploring persistent connections between absolute rulers and dramatic performance in Greek and Roman drama and history Anne Duncan offers the reader a comprehensive insight into the juxtaposition between tyranny and theater in the Greco-Roman world From the mad kings of Greek and Roman tragedy to the relationships that Greek tyrants and Roman emperors cultivated with actors and playwrights absolute power has had an inescapably theatricalising effect on ruler and regime Traversing various Greco-Roman playwrights such as Euripides Sophocles and Seneca this book analyses the dangerous unstable tyrants of ancient tragedy alongside the dangerous unstable tyrants of ancient historiography in order to map out the ancient world's discourses about the allure and peril of absolute power Duncan argues that while any kind of political display has theatrical qualities it is tyranny that has an especially theatrical mode Her conclusion is that tyrants and playwrights began to influence each other over the course of Greco-Roman antiquity so that tragedy tyrants began to resemble real rulers and real rulers began to style themselves after tragedy tyrants each trying to tap into the other's power to command audiences **Transnational Mobilities in Early Modern Theater** Robert Henke,Eric Nicholson,2016-02-24 The essays in this volume investigate English Italian Spanish German Czech and Bengali early modern theater placing Shakespeare and his contemporaries in the theatrical contexts of western and central Europe as well as the Indian subcontinent Contributors explore the mobility of theatrical units genres performance practices visual images and dramatic texts across geo-linguistic borders in early modern Europe Combining distant and close reading a systemic and structural approach identifies common theatrical units or theatergrams as departure points for specifying the particular translations of theatrical cultures across national boundaries The essays engage both dramatic approaches e.g. genre plot action and the dramatic text and theatrical perspectives e.g. costume the body and gender of the actor Following recent work in mobility studies mobility is examined from both material and symbolic angles revealing both ample transnational movement and periodic resistance to border crossing Four final essays attend to the practical and theoretical dimensions of theatrical translation and adaptation and contribute to the book's overall inquiry into the ways in which values properties and identities are lost transformed or gained in movement across geo-linguistic borders

Recognizing the pretension ways to get this book **Theaters Of Madness Theaters Of Madness** is additionally useful. You have remained in right site to start getting this info. acquire the Theaters Of Madness Theaters Of Madness member that we present here and check out the link.
