and bestselling author Jack Canfield to create an unprecedented educational curriculum for teachers to use to empower their students in the same way that they have. Unkovich chose the most inspirational stories from the more than one hundred Chicken Soup books published. These stories, activities, and plans will enhance your existing curriculum. Designed to be read aloud to students, each story is accompanied by thought-provoking questions and exercises specifically designed and used by the authors. Your students will identify with each of the powerful stories and will be encouraged to apply the lesson plans to their own lives, challenges, and situations, and at the same time improve their critical thinking and writing skills. More important, unlike other curriculums, Chicken Soup for the Soul in the Classroom educates and provides opportunities for open dialogue on real-life issues including character building and self-esteem.

Mississippi Elementary School Curriculum, Grades I-VIII. Mississippi. State Board of Education, 1926.

High Stakes Dale D. Johnson, Bonnie Johnson, 2006. High Stakes is a critical ethnography of an underfunded public elementary school in this era of accountability and high-stakes testing. The book was written during the year the authors served as third and fourth grade teachers, and it juxtaposes the experiences of mostly minority children of poverty and their teachers with an examination of high-stakes testing policies and the loss of a comprehensive education to political dictates.
