O'Reilly,2023-05-01 Theresa and Paul were an unlikely pair But after a harrowing trip together through a blizzard in a Volkswagen Beetle that had no heat and only one working windshield wiper they knew they had found something special Thus began their unpredictable journey across life s seas which the author recalls in *Real* Their story is a testimony to God s relentless unconditional and real love Each challenge they encountered was like an ocean storm threatening to dash their boat against the rocks They navigated the waters of raising a special needs child cross country and overseas relocations a marriage one counselor declared incompatible the loss of dear loved ones and the trials of extreme physical crises Continually and without fail the lighthouse the Light of the World stood firm upon the shore guiding them to safety Over and over again the Lord performed awesome acts of love resulting in supernatural outcomes *Real* will fill you with expectant hope and encourage your soul all while confirming that you are not alone through life s storms God the Father Son and Holy Spirit is with you and will never leave you or abandon you because His love for you is real **Mother Teresa** Gezim Alpion,2006-10-16 Mother Teresa was one of the most written about and publicised women in modern times Apart from Pope John Paul II she was arguably the most advertised religious celebrity in the last quarter of the twentieth century During her lifetime as well as posthumously Mother Teresa continues to generate a huge level of interest and heated debate G zim Alpion explores the significance of Mother Teresa to the mass media to celebrity culture to the Church and to various political groups A section explores the ways different vested interests have sought to appropriate her after her death and also examines Mother Teresa s own attitude to her childhood and to the Balkan conflicts in the 1980s and 1990s This book sheds a new and fascinating light upon this remarkable and influential woman which will intrigue followers of Mother Teresa and those who study the vagaries of stardom and celebrity culture *Mother Teresa, an East-west Mysticism* Gloria Germani,2004 *The Catholic Periodical and Literature Index* ,1999 *Teresa di Calcutta* Gloria Germani,2003 **Madre Teresa e Gandhi** Gloria Germani,2018-03-05T00:00:00+01:00 Madre Teresa e Gandhi
