Roswell Karl T. Pflock, 2001-06-01 For over fifty years an incident near Roswell New Mexico has sparked the imaginations of UFO enthusiasts Did the military recover a crashed flying saucer there along with several extraterrestrial bodies Has the government gone to great lengths to hide the evidence Over time these speculations have reached the status of unquestionable truths in the minds of many ufologists In this definitive study of the Roswell incident longtime UFO researcher Karl T Pflock who is convinced that some UFO reports are real alien sightings concludes after an exhaustive investigation that no alien craft or bodies were ever found at Roswell Pflock admits at the outset that he too once strongly believed there might be something to the Roswell alien stories and he describes how he then came to discover the whole truth Using formerly classified records he proves that the U S government has absolutely no physical evidence of aliens shows how critical weather data completely refute key claims of Roswell believers and explains why the case now rises and falls on the testimony of just one witness who cleverly manipulated leading investigators and continues to do so today Pflock's intensive research and access to once classified documents including facsimiles of important formerly classified documents 28 witness affidavits and the entire Pratt Marcel interview transcript make this book must reading even for UFO buffs believers and skeptics alike who feel they know everything about Roswell [Encyclopedia of Associations](#), 2003
