Teaching for a Multifaith World Eleazar S. Fernandez, 2017-05-05 When religious diversity is our reality radical hospitality to people of other faiths is not a luxury but a necessity More than necessary for our survival radical hospitality to religious diversity is necessary if we are to thrive as a global society By no means does the practice of hospitality in a multifaith world require that we be oblivious of our differences On the contrary it demands a respectful embrace of our differences because that s who we are Neither does radical hospitality require that we water down our commitment because faithfulness and openness are not contradictory We must be able to say with burning passion that we are open to the claims of other faiths because we are faithful to our religious heritage The essays in this book do not offer simply theological exhortations they offer specific ways of how we can become religiously competent citizens in a multifaith world Let s take the bold steps of radical openness with this book on our side

Healing with Spiritual Practices Thomas G. The Daughter Zion Allegory in Medieval German Religious Writing Annette Volting, 2017-07-14 The Daughter Zion allegory represents a particular narrative articulation of the paradigm of bridal mysticism deriving from the Song of Songs the core element of which is the quest of Daughter Zion for a worthy object of love Examining medieval German religious writing verse and prose and Dutch prose works Annette Volting shows that this storyline provides an excellent springboard for investigating key aspects of medieval religious and literary culture In particular she argues the allegory lends itself to an exploration of the medieval sense of self of the scope of human agency within the mystical encounter of the gendering of the religious subject of conceptions of space and enclosure and of fantasies of violence and aggression Volting suggests that Daughter Zion adaptations increasingly tended to empower the religious subject to seek a more immediate relationship with the divine and to embrace a wider range of emotions the mediating personifications are gradually eliminated in favour of a model of religious experience in which the human subject engages directly with Christ Overall the development of the allegory from the twelfth to the fifteenth centuries marks the striving towards a greater sense of equality and affective reciprocity with the divine within the context of an erotic union

Writing Spirit Lynn V. Andrews, 2007-04-19 Lynn V Andrews takes the reader with her as she goes on inward journeys with the help of the Sisterhood of the Shields and relates the stories of others Join her as she is initiated into the Sisterhood and creates her own shield which will show her the nature of her spiritual path Spirit Woman Follow her to the Yucatan where the medicine wheel leads her and she is faced with the terrifying reality of the butterfly tree Jaguar Woman Enter the Dreamtime with her where she emerges in medieval England as Catherine and encounters the Grandmother who offers to show Andrews how to make her life one of goodness power adventure and love The Woman of Wyrrd Not all these stories describe the author's own spiritual experiences Meet Sin Coraz n an initiate into the Sisterhood whose husband abandons her She nearly succumbs to her inner dark power and unleashes her rage on men and the Sisterhood Dark Sister Andrews also writes about the elder women of the Sisterhood their loves their lives their losses Tree of Dreams Andrews shows us how to channel our own spiritual and intellectual energy and balance the need for love with the desire for power Love and Power She takes the reader on numerous spiritual journeys that inevitably uplift

Writing Home, With Love Amy Laura Hall, 2016-12-09 For the last two years acclaimed theologian Amy Laura Hall has written a lively wide ranging opinionated column for her local newspaper In her column Hall has sought without flatly rejecting globalism to think and act locally She has also responded to what she sees as a disturbing Christian turn toward asceticism and away from abundance Drawing from her scholarship but also from conversations at coffee shops and around the dinner table Hall's missives of love engage topics such as school dress codes ubiquitous surveillance cameras LGBTQ dignity and bullies in the workplace They draw richly and variously on pop songs dead saints young adult literature and many stories about actual neighbors and family

members Often offbeat and always riveting they ask how the world around us works and can work much better for the sake of daily truth and flourishing

Plato's Charmides Raphael Woolf, 2023-08-10 Plato's Charmides is a rich mix of drama and argument Raphael Woolf offers a comprehensive interpretation of its disparate elements that pays close attention to its complex and layered structure and to the methodology of reading Plato He thus aims to present a compelling and unified interpretation of the dialogue as a whole The book mounts a strong case for the formal separation of Plato the author from his character Socrates and for the Charmides as a Platonic defence of the written text as a medium for philosophical reflection It lays greater emphasis than other readings on the centrality of eros to an understanding of Socratic procedure in the Charmides and on how the dialogue's erotic and medical motifs work together The book's critical engagement with the dialogue allows a worked out account to be given of how temperance the central object of enquiry in the work is to be conceived
