How to Write a BA Thesis, Second Edition Charles Lipson, 2018-12-05

How to Write a BA Thesis is the only book that directly addresses the needs of undergraduate students writing a major paper. This book offers step by step advice on how to move from early ideas to finished paper. It covers choosing a topic, selecting an advisor, writing a proposal, conducting research, developing an argument, writing and editing the thesis, and making through a defense. Lipson also acknowledges the challenges that arise when tackling such a project and he offers advice for breaking through writer's block and juggling school life demands. This is a must read for anyone writing a BA thesis or for anyone who advises these students.

The Academic Writer's Toolkit Arthur Asa Berger, 2016-07. Berger's slim user friendly volume on academic writing is a gift to linguistically stressed academics. Author of 60 published books, the author speaks to junior scholars and graduate students about the process and products of academic writing. He differentiates between business writing skills for memos, proposals, and reports and the scholarly writing that occurs in journals and books. He has suggestions for getting the turgid out of turgid academic prose and offers suggestions on how to best structure various forms of documents for effective communication. Written in Berger's friendly personal style, he shows by example that academics can write good readable prose in a variety of genres.

Garner's Modern English Usage Bryan A. Garner, 2022. Garner's Modern English Usage is one of the most influential style guides ever written for the English language. With more than a thousand new entries, 200 replacement entries, and thoroughly updated usage data, this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing.

My Gospel Duty William Chen, Gospel Duty were the first two words that jumped into my mind when I needed a file name in order to save my work. My intention is to share my experience with the person who is waiting for any proof of the existence of God before he or she is willing to accept the Lord or as I like to put it, to fall to the right side of the fence. In addition, my purpose is to outreach to the unaffiliated individual in hopes that he or she will return to God. This book is based on the accumulation of over 60 years of my very personal experience. There are many events in my life that could not have occurred without the help from the Holy Spirit. An incident that finally persuaded me to believe in the existence of the Holy Spirit was when I walked into a Catholic church in Dali, Yunnan, China, a remote town at the eastern edge of the Himalayan mountain range and purchased a notebook the next day with a clear instruction from my Holy Spirit. This event gave me the reason and the impetus to write my lifelong experiences. This writing is about the existence of the Holy Spirit and my faith journal as an immigrant. Having faith is the best thing that can happen to any individual because God gives us peace within our heart. I invite you on my journey towards an enlightened faith.

Introduction to Scholarship in Modern Languages and Literatures David G. Nicholls, 2015-01-01. The third edition of the MLA's widely used Introduction to Scholarship in Modern Languages and Literatures features sixteen new essays by leading scholars. Designed to highlight relations among languages and forms of discourse, the volume is

organized into three sections Understanding Language provides an overview of the field of linguistics with special attention to language acquisition and the social life of languages Forming Texts offers tools for understanding how speakers and writers shape language it examines scholarship in the distinct but interrelated fields of rhetoric composition and poetics Reading Literature and Culture continues the work of the first two sections by introducing major areas of critical study The nine essays in this section cover textual and historical scholarship interpretation comparative cultural and translation studies and the interdisciplinary topics of gender sexuality race and migrations among others As in previous volumes an epilogue examines the role of the scholar in contemporary society Each essay discusses the significance underlying assumptions and limits of an important field of inquiry traces the historical development of its subject introduces key terms outlines modes of research now being pursued postulates future developments and provides a list of suggestions for further reading This book will interest any member of the academic community seeking a review of recent scholarship while it provides an indispensable resource for undergraduate and graduate students of modern languages and literatures
