Justin Evans, 2007-05-22 A young man reexamines his childhood memories of strange visions and erratic behavior to answer disturbing questions that continue to haunt him and his new family in this psychological thriller named a Washington Post best book of 2007 Thirty year old George Davies can t bring himself to hold his newborn son After months of accepting his lame excuses and strange behavior his wife has had enough She demands that he see a therapist and George desperate to save his unraveling marriage and redeem himself as a father and husband reluctantly agrees As he delves into his childhood

memories he begins to recall things he hasn't thought of in twenty years. Events, people, and strange situations come rushing back. The odd rambling letters his father sent home before he died. The jovial mother who started dating too soon after his father's death. A boy who appeared one night when George was lonely, then told him secrets he didn't want to know. How no one believed this new friend was real and that he was responsible for the bad things that were happening. Terrified by all that he has forgotten, George struggles to remember what really happened in the months following his father's death. Were his ominous visions and erratic behavior the product of a grief-stricken child's overactive imagination? Or were his father's colleagues, who blamed a darker, more malevolent force, right to look to the supernatural as a means to end George's suffering? Twenty years later, George still does not know. But when a mysterious murder is revealed, remembering the past becomes the only way George can protect himself and his young family. A psychological thriller in the tradition of Donna Tartt's *The Secret History* with shades of *The Exorcist*, *A Good and Happy Child* leaves you questioning the things you remember and frightened of the things you've forgotten. Beautifully written and perfectly structured, this novel is much more than *The Omen* for the latte generation, and Evans cleverly subverts expectations at every turn. *Washington Post*: A satisfying suspenseful first novel. Young George's intriguing story unbalances the reader right up to the book's deliciously chilling end. *People*: A scary grown-up ghost story that combines Southern gothic with more than a twist of *The Exorcist*. Combine's mind-bending storytelling with excellent prose. *Portland Tribune*: Think *Rosemary's Baby* plus told in the kind of prose that mesmerizes, sweeping the reader along so fast that there's no time to ask questions. *Hartford Courant*: A dazzling debut, part psychological thriller, part horror story. *Chicago Tribune*: Related his otherworldly suspense story with the cool, calm eye of a skeptic. *Entertainment Weekly*: A **CMJ New Music Report**, 2002-07-08. CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend forward retail sales. CMJ's trade publication compiles playlists for college and non-commercial stations, often a prelude to larger success. *Sports Pages of the Los Angeles Times*. Bill Shirley, 1983.
