*Resources in Education* ,1993      Transforming School Cultures Martin L Maehr,Carol Midgley,1996-07-28 Revised from the 1993 Essentials of Pulping and Papermaking to account for the fact that it was being used as an industry reference as well as a teaching tool Most of the chapters have been little changed but new material is added on paper chemistry and optical properties wood and fiber anatomy paper use and processing equipment A guide for troubleshooting pumps is also included The first third serves as a textbook for beginning students and the rest provides detailed information on specific topics relating to the production and use of paper Annotation copyright by Book News Inc Portland OR      **Resources in Education** ,1980-04      Managing School System Change Serbrenia J. Sims,2006-06-01 This work looks at managing school system change It covers such topics as challenges to leading and managing school and school system change key roles and competencies for administrators stakeholder theory analysis understanding school culture change and more      *Simplifying Response to Intervention* Austin Buffum,Mike Mattos,Chris Weber,2011-10-29 The sequel to Pyramid Response to Intervention advocates that a successful RTI model begins by asking the right questions to create a fundamentally effective learning environment for every student RTI is not a series of implementation steps but rather a way of thinking Understand why bureaucratic paperwork heavy compliance oriented test score driven approaches fail Then learn how to create a focused RTI model that works      **Fire & Ice** Carol A. Mullen,2005 Fire Ice presents the educational inquiry process to school practitioners and aspiring leaders The context for this study is unusual because it addresses inquiry learning at both the master s and doctoral level and within group settings The picture that emerges illustrates ways for mentors to engage graduate students in learning writing and research through collaborative structures with an emphasis on learning communities as the primary vehicle for growth and success In the book graduate students have served as research participants focus group members and survey respondents in their dual role as peer mentor Because graduate education is being challenged to meet the changing needs of the twenty first century the influence of the professions on academic degrees has meant that students must develop as scholar practitioners instead of strictly intellectual academics Metaphorically the fire possibility desire and content and ice restraint structure and form of scholarly inquiry is used as a literary device to capture what it might mean for students to perform inquiry      *Celebrate to Motivate* Shawn Creswell,Katy Sue

Traicoff, 2025-04-29 Celebrations enrich the lives of students staff members and school communities The authors provide powerful compelling stories proven strategies and practical tools for embedding celebration into school culture Drawing on insights from schools and districts this book empowers K 12 teachers and administrators to create a celebratory environment that inspires educators motivates student learning and actively engages the entire school community K 12 teachers and administrators can use this book to Gauge the impact of celebration practices through reflections and surveys Develop daily classroom rituals to recognize individual accomplishments Plan yearly schoolwide events to mark community achievements and successes Inspire continued improvement and excellence through regular celebratory practices Unite students staff and family in supportive community networks of mutual celebration Contents Introduction Chapter 1 A Culture of Celebration Chapter 2 Celebrate to Motivate Students Chapter 3 Celebrate to Motivate Staff Chapter 4 Celebrate to Motivate the Community Epilogue References and Resources Index
