Nelson, 2025-07-01 In the rapidly changing modern church every minister is an interim Few pastors begin their ministry in a congregation believing it will be a short term or transitional partnership Yet in a rapidly changing church environment every minister is an unintentional interim From author and judicatory leader for ministerial transitions Jeffrey A Nelson comes a thoughtful engagement on modern ministry in the modern church With discernment and support ministers can be intentional throughout their pastorate no matter how long or short their tenure may last *Beginning and Ending a Pastorate* William Powell Tuck, 2018-08-08 Changing pastors is a critical time in the life of a church with opportunities for misunderstanding between the congregation and the incoming and outgoing pastors In this short volume Dr Tuck draws on his experience in all phases of this transition to help pastors and congregations understand the process and learn to work together to make such change successful He addresses the role of the interim pastor of the church leaders and the departing and incoming pastors While this time of change can be a challenge and in some churches has had negative results this book provides a guide to the attitudes and actions that will make this an opportunity for growth new ministry and continuing spiritual transformation As a volume in the Conversations in Ministry Series edited by a committee from the Academy of Parish Clergy it is selected by parish pastors for parish pastors and designed for your busy schedule If you are a pastor and are facing a change of this nature or are a leader in a congregation that is experiencing or about to experience such a transition *Beginning and Ending a Pastorate* will provide you with clear practical scripturally based and theologically sound advice for every step of the way It is as one reviewer noted a worthy guide **Making Cell Groups Work Navigation Guide** Joel Comiskey, Scott Boren, Ralph Neighbour, Randall Neighbour, Bill Beckham, 2023-05-27 This is an expanded 624 page reference tool for the 8 stage transition process found in *How Do We Get There From Here* formerly titled *Making Cell Groups Work* This sizable compilation is filled with hundreds of articles by pastors and experts including helpful articles such as how to transition your church's calendar and budget to allow for a growing holistic small group cell group ministry how to choose team members to implement the transition tips on how to prototype groups and much much more One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses if any in four key areas of church health all of which are required for a successful transition
