No one can teach a Christian to pray like Teresa can This lively little book introduces postmodern readers to one of Christianity's most endearing prayer warriors and guides them through her most radical teachings Here Teresa of Avila is not a lofty inaccessible saint she's a companion taking readers on a rollicking journey through their own interior castles The secrets of Teresa's intimate devotional life are revealed and readers learn practical ways to abandon complicated contemplative prayer techniques and simply enjoy God This journey through the life and writings of Teresa of Avila will engage Christians who would have never before considered encountering a post Reformation Catholic nun Mair Burney makes Teresa accessible and essential for understanding what it means to come to know God and how it's possible I've been waiting for some time for the Ragamuffin Diva to write us a book about her own
