Teaching to Strengths Debbie Zacarian, Lourdes Alvarez-Ortiz, Judie Haynes, 2017-09-20 Half the students in U S schools are experiencing or have experienced trauma violence or chronic stress Much has been written about these students from a therapeutic perspective especially regarding how to provide them with adequate counseling supports and services

Conversely little has been written about teaching this population and doing so from a strengths based perspective Using real world examples as well as research based principles this book shows how to Identify inherent assets that students bring to the classroom Connect to students experiences through instructional planning and delivery Foster students strengths through the use of predictable routines and structured paired and small group learning experiences Develop family and community partnerships Experts Debbie Zacarian Lourdes Alvarez Ortiz and Judie Haynes outline a comprehensive collaborative approach to teaching that focuses on students strengths and resiliency Teaching to Strengths encourages educators to embrace teaching and schoolwide practices that support and enhance the academic and socio emotional development of students living with trauma violence and chronic stress

Breaking Down the Wall Margarita Espino Calderon, Maria G. Dove, Diane Staehr Fenner, Margo Gottlieb, Andrea Honigsfeld, Tonya Ward Singer, Shawn Slakk, Ivannia Soto, Debbie Zacarian, 2019-09-11 It was a dark and stormy night in Santa Barbara January 19 2017 The next day s inauguration drumroll played on the evening news Huddled around a table were nine Corwin authors and their publisher who together have devoted their careers to equity in education They couldn t change the weather they couldn t heal a fractured country but they did have the power to put their collective wisdom about EL education upon the page to ensure our multilingual learners reach their highest potential Proudly we introduce you now to the fruit of that effort Breaking Down the Wall Essential Shifts for English Learners Success In this first of a kind collaboration teachers and leaders whether in small towns or large urban centers finally have both the research and the practical strategies to take those first steps toward excellence in educating our culturally and linguistically diverse children It s a book to be celebrated because it means we can throw away the dark glasses of deficit based approaches and see children who come to school speaking a different home language for what they really are learners with tremendous assets The authors contributions are arranged in nine chapters that become nine tenets for teachers and administrators to use as calls to actions in their own efforts to realize our English learners potential 1 From Deficit Based to Asset Based 2 From Compliance to Excellence 3 From Watering Down to Challenging 4 From Isolation to Collaboration 5 From Silence to Conversation 6 From Language to Language Literacy and Content 7 From Assessment of Learning to Assessment for and as Learning 8 From Monolingualism to Multilingualism 9 From Nobody Cares to Everyone Every Community Cares Read this book the chapters speak to one another a melodic echo of expertise classroom vignettes and steps to take To shift the status quo is neither fast nor easy but there is a clear process and it s laid out here in Breaking Down the Wall To distill it into a single line would go something like this if we can assume mutual ownership if we can connect instruction to all children s personal social cultural and linguistic identities then all students will achieve

Mastering Academic Language Debbie Zacarian, 2012-12-19 The achievement gap is a language gap and you can bridge it As teachers we take the language of school academic language for granted But for many of our students academic language is more than a new language It is the make or break skill for school success This exciting and

much needed book shows how teachers can help students become fluent confident speakers of academic language Debbie Zacarian shares a step by step research based approach to scaffolding K 12 instruction for students who do not have the language and literacy skills that are needed in school Readers will find Practical teaching strategies based on the four key facets of academic language fluency Richly detailed case studies about students experiences with academic language across the content areas Guidance on family involvement Thought provoking study questions along with performance assessment tools An ideal resource for school and district wide Common Core initiatives this book provides teachers with the foundation and tools to ensure an equitable education for all students This book engages teachers in active reflection on the nature of academic language and how it is used in different content areas across the curriculum It represents an extremely useful tool for school communities to promote academic learning for all students Jim Cummins Professor OISE University of Toronto Mastering Academic Language provides a practical look at the sociocultural foundations of academic language relevant classroom and student examples and a helpful framework for organizing and enacting the complex processes of developing language across a variety of contexts Jeff Zwiers Researcher Stanford University CERAS 527

Students With Interrupted Formal Education Brenda Custodio, Judith B. O'Loughlin, 2017-02-23 New hope for our most vulnerable English learners One of the guiding principles of effective English language teaching is for educators to know their students And that in a nutshell captures the value of this book The compassion that Custodio and O Loughlin feel for our SIFE students the commitment they have to educating them well and the comprehension they have of the assets these learners bring to the classroom are evident in the writing tools and vignettes they share Deborah J Short Under the best of circumstances the academic demands of today s classrooms can be daunting to our English learners But for the tens of thousands of newly arrived students with interrupted formal education even the social challenges can be outright overwhelming Rely on this all in one guide from Brenda Custodio and Judith O Loughlin for expert insight on how to build the skills these students need for success in school and beyond Inside you ll find Essential background on factors leading to interrupted education Specific focus on refugee children and Latino immigrants Guidance on building internal resilience for long term social and emotional health Recommendations for creating supportive environments at the classroom school and district level About one thing Brenda and Judith are absolutely convinced our SIFE students can learn and make progress often at a remarkable speed But it s up to us their educators to provide the time attention and a specific focus Consider this book your first step forward
