Michael Hall,Siamak Seyfi,S. Mostafa Rasoolimanesh,2022-07-26 This timely volume brings together various issues in Muslim consumer cultures and provides a comprehensive account of Muslim tourism and tourist behaviour Islam is a major

international religion and Muslims are a majority of the population in many countries in Asia the Middle East and North Africa The growth of a substantial middle class the development of Islamic consumer cultures rising Muslim market consumption in non Muslim majority destinations and the growing significance of intra Muslim traffic and rising outbound tourism expenditure in emerging Muslim markets have all contributed to substantial interest in Muslim tourism However travel by Muslims is about far more than the Hajj and Umrah as important as they are as acts of devotion Instead although often portrayed in the West as a monolithic religion Muslim travel and leisure behaviour is very diverse with different traditions and cultures leading to a range of expressions of tourism related consumption culture and practices Drawing on a range of empirical studies undertaken in different social and economic contexts and countries this book provides a well balanced portrayal of the Muslim tourism experience and practices This book makes a substantial contribution to an improved understanding of Muslim travel culture and will be required reading for anyone interested in this fast growing market

Traveling Auteurs Luca Caminati,2024-04-30 What tensions characterized the relationships between cinema European Leftists and emerging postcolonial ideologies after World War II In *Traveling Auteurs* author Luca Caminati analyzes the work of influential Italian filmmakers Roberto Rossellini Pier Paolo Pasolini and Michelangelo Antonioni as they engaged politically and aesthetically with the global landscapes and politics of the Cold War period As documentaries the films considered in this book record specific manifestations of political sensibilities of the twentieth century As bodies of work they reveal that the traveling auteurs who made them were symptomatic actors in complex geopolitical networks As cultural objects reflecting and shaping contemporaneous debates they provoke a complex afterlife at home and abroad In the three chapters dedicated to Rossellini in India Pasolini in Africa and the Middle East and Antonioni in China Caminati pays particular attention both to the reception that these films had in the countries where they were shot and to their legacies in Italian film history As it follows the entanglements of filmmakers artists and activists involved as allies or direct witnesses to momentous political change this book sheds new light on anticolonial struggles the reaffirmation of the Non Aligned Movement and the consolidation of the Chinese Communist Party

Traveling over Mountains and Rivers Zang Mu,2025-08-21 Zang Mu's fieldwork journal *Traveling over Mountains and Rivers* records many plant and fungus species It is first hand data in scientific research serving as a significant historical reference for botanical ecological biogeographical and even natural history research Plenty of colored sketches in the journal record various plants and depict the living environment of plants and fungi providing a reference for understanding the survival and adaptive evolution of the plants on the Third Pole and high scientific and artistic value They offer insights into learning about plants fungus classification and the history of the development of biogeography This journal is mainly a valuable and light hearted read for intellectuals This book is expected to show readers the image of an intelligent and good humored scientist who loves thinking and pursues high standards while researching to encourage future generations to carry forward the good virtues of elderly scientists valuing

truth and innovation and fighting against obstacles to make scientific breakthroughs constantly *Journal of Travel Research* ,2007-08 **Emerging Infectious Diseases** ,2013 **The Psychology of Health and Illness** Leslie D.

Frazier,2025-06-30 The Psychology of Health and Illness is a thoroughly updated version of Leslie Frazier s previous textbook on health psychology which provides an engaging and contemporary approach to understanding health psychology from a truly international perspective Combining both biopsychosocial and lifespan developmental perspectives the book integrates core theory research and practice on global and cross cultural health issues It includes thoughtful and deliberately inclusive coverage of marginalized groups especially BIPOC LGBTQ and other underrepresented groups designed to raise diversity and racial consciousness in a globally integrative way Alongside classic health psychology concepts the author introduces students to cutting edge scientific and medical topics such as epigenetics the gut microbiome and the nonmedical use of prescription drugs The book also focuses on global public health and health disparities and promotes a strengths based approach to health rather than a deficits based approach It includes a wide range of pedagogical features including real world applications engaging anecdotes and case studies opportunities for self reflection and numerous text boxes This is essential reading for undergraduate students on Health Psychology courses as well as those in related fields such as nursing and the allied health professions
