Tithing Giving And Prosperity:

Tithing Giving and Prosperity Roy B. Blizzard, 2013-04-15 In this 58 page book Dr Roy B Blizzard explains the ancient origins of tithing giving and prosperity from the historical and biblical perspective He brings to light the laws and customs of tithing throughout history through to present day Dr Blizzard clears up many misperceptions that the acquisition of material possessions equals prosperity that one must give in order to receive that tithing is a requirement of modern day Christianity His study reveals that tithing was strictly a Jewish practice its basic purpose was as an act of charity tzedakah to support the poor and those in need it was not practiced outside the land of Israel after the destruction of the Temple the practice of tithing ceased in Judaism although acts of charity continued as a replacement for the sacrifices of the Temple and more Citing multiple scholarly works in Hebrew Greek and English Dr Blizzard builds the case for attaining biblical prosperity free of coercion Prosperity means to be safe to be secure to be at ease or rest it means to have peace to have shalom to be whole to be complete a wholeness and completeness through God who lives and dwells within Once one understands what real prosperity is it becomes of much more value than the mere accumulation of material possessions Real prosperity is Life Life with God and in God Length 12 600 words
